Take Unusual Trip—
A mountain trip that revealed to them many of the west's untarnished beauty spots was completed last night when Mr. and Mrs. George Birnie and party returned from an eight-day trip which they made by horse. They saw lakes and country that comparatively few persons have ever seen taking in an unusual amount of territory in the week. The party went in from Cove camping at the Catherine Creek meadows, then the mouth of Rock creek on the Big Minam, then at Blue lake above Minam lake. From Blue lake they went up Copper Cove and on over to Steamboat, passing Swamp and Long lakes. From here they went down the Northfork and came on home from the Minam, returning through Cove again. They saw G. J. Price and son, Russell, who are on a fishing trip through that section during their camping trip. The party had several fine catches of fish. With Mr. and Mrs. Birnie were Allen Ellsworth, who is manager of the Multnomah club in Portland. Mr. Ellsworth is a cousin of Mrs. Birnie's mother, Mrs. Harriett McDonald. He was for many years secretary of the Portland flouring mill. Miss Mina Cooper, Gifford Seitz and Miss Annes completed the party who made the unusually interesting trip.

Going for Examination—
Earl Roberts went to Portland yesterday, where he will undergo medical examination under the state compensation department. Mr. Roberts received serious leg injuries in an accident last fall. The accident has made it impossible for him to work since then.

Played Golf Yesterday—
Among the Baker golfers who played on the La Grande course yesterday were C. B. Baer, Lloyd Mickelsen and Dr. C. L. Blakely. They stopped at the Sacajawea while here. The La Grande country club extended the courtesy of its course to the Baker club so that they might have practice on the grass greens in preparation for the inter-city tournament at Walla Walla next Sunday.

Former North Powder Folk Here—
Mr. and Mrs. J. A. White, of Augusta, Mont., spent Sunday in La Grande, stopping at the Sacajawea. A number of years ago they made their home at North Powder, going to Augusta in 1892. They have enjoyed looking over this section of the country during their stay and noting the growth of the communities. Their visit was of particular interest to W. M. Vaughn, manager of the Sacajawea, and to Charles Herring, a clerk at the hotel, as Augusta is their home city. Mr. and Mrs. White have been touring in the west and will go now to Crater Lake and into California.

Bradys Return Home—
Judge and Mrs. H. E. Brady, who have been gone since July 2, returned home this morning from a trip that took them through dozens of states ranging from Florida to New York on the east coast. The object of their trip was mainly to attend the national Elks' grand lodge in Miami. After leaving La Grande they went to Salt Lake City, where they spent 12 hours, then going to Denver and later joining a special train of Elks, chiefly from Colorado, Kansas and Missouri, at Kansas City. The delegates from Washington, Oregon, Montana, Nevada and Idaho also joined this train. The group went through Birmingham, Memphis, Atlanta and Jacksonville, thence across Florida to the west side and to Tampa, where they were entertained from 2 to 5 o'clock in the afternoon. Autos then took the visitors to St. Petersburg over the Gandy bridge, which crosses an arm of the ocean and is the longest automobile bridge in the world. They were again entertained in St. Petersburg. Judge and Mrs. Brady went to Miami next, arriving there July 9 and leaving on the 12th, after grand lodge closed. They were entertained again at Jacksonville. Their next important stop was in Washington, D. C., for a two-day visit with friends and, at the urging Mrs. Brady formerly attended. At Philadelphia they spent a week with her relatives and then went to New York, arriving there a day before the Tunney-Heeney fight, and were in the city when a group of gangsters shot some opponents. They next went up the Hudson to Albany, where they spent five hours, and also visited at Niagara and Chicago on route home. They went under Niagara Falls in the tunnel the Canadian government constructed. Mr. Brady says that their return trip was cool until they reached Pocatello, where they struck the heat wave. In the south cotton and tobacco crops have been damaged by the much rain but in the corn belt crops are very good. Speaking of politics Mr. Brady says that Smith is strong in the south and that Hoover is favored in the middlewest.

KANSAS WHEAT BELT FLOODED

Territory Near Hays Under Water — Damage in Six Figures

HAYS, Kan., July 30 (AP)—Flood conditions prevailed in the comparatively dry wheat belt of western central Kansas today following near cloudbursts in several sections yesterday.

Although 300 families were forced to flee homes after darkness last night when the swiftly rising waters inundated the low southern residence section, no loss of life was reported here.

Property damage was estimated at several hundred thousand dollars.

Water was six feet deep in the buildings of Kansas state teachers college and also had entered the Union Pacific station. Only the second story of many homes was above the flood. About a third of the town was under water.

Absence of any boats in Hays made necessary hastily improvised rafts, while women and children were carried from their homes on men's backs.

Tracks Washed Out

Railroad tracks washed out in several places and it was reported the Union Pacific bridge over Big creek, a half mile west of here was doomed.

The most fashionable homes were located in the section inundated.

Residents of Hoisington were forced to higher ground when waters swept into the lower part of town. A mile of railroad track washed out.

About 100 families were driven from home near Ellis when Big creek overflowed washing out a mile of Union Pacific tracks.

From three to ten feet of water raged through the streets there. Thousands of bushels of wheat in elevators were soaked while shocked wheat nearby was ruined.

Drum Corps To Play on Adams Avenue Tonight

The American Legion drum corps, the American Legion drum corps, in first public appearance since receiving new equipment, will play on Adams avenue. The corps will use the contest number on which it has been working for some time and will play at the corner of the La Grande hotel, the United States National bank and the Sacajawea Inn. Tomorrow night the drum corps will leave for Medford to compete with other corps in the annual state convention contest. The appearance tonight, it is thought, will draw a large crowd of listeners.

American Legion members declare that the corps has this year reached its peak in ability.

"A survey of the history of the drum corps reveals that they have had an exceptionally active and commendable record, competing in every drum corps contest since the first one in 1924 in Portland. In 1925 they went to Prineville, in 1926 to Marshfield, in 1927 here and this year to Medford.

"Local folk may realize what a drum corps means to a town from last year's convention here. Undoubtedly they are a real benefit to the city they represent—this was demonstrated in the convention here last year when the corps from the various cities put the names of their home towns to the front of all activities," said Raymond O. Williams, drum major of the corps today. "They play a definite part in putting a city on the map," he added. "We feel that the drum corps is one of the legion's outstanding services to the community. The American Legion finances the corps entirely," Mr. Williams concluded.

Drive Launched To Defeat Al Smith

KANSAS CITY, Kansas, July 30 (AP)—A purported Ku Klux Klan drive for funds in Kansas to help defeat Governor Alfred E. Smith was launched here yesterday when letters announcing the appeal for funds were distributed in front of the local protestant churches.

The typewritten letters were purported to bear the signatures of C. H. McIlvaye, Wichita, "Grand Dragon of the Realm of Kansas" and A. W. Murray, here from Atlanta, Ga., to direct Klan movements. The numbers of postoffice boxes in Wichita, state headquarters and here, where funds may be addressed, were given in the letter.

Henry Ford Pins Faith on Men of 50

DETROIT, July 30 (AP)—Henry Ford expects to do more in the next five years than he has in the last twenty, he told visitors who came today to congratulate him upon his 65th birthday anniversary. Ford was in an optimistic mood and while it clear he had not yet found his "age limit."

He believes the judgment and experience of men over 50 are essential. "You take all the experience and judgment of men over 50 out of the world and there wouldn't be enough left to rub it," he said. "Youngsters have their place and are necessary but the experience and judgment of men over 50 are what give purpose and meaning to younger men's efforts."

BELA KUN IN GERMANY

SWINEMUENDE, Ger., July 30 (AP)—Bela Kun, a notorious communist, who was expelled from Austria after serving a jail sentence for entering that country on a false passport, passed through Germany yesterday in charge of police officials. He was placed aboard the soviet steamer Herzen bound for Russia.

TO VOTE FOR TWO

MANAGUA, Nicaragua, July 30 (AP)—Nicaraguans in voting for president on November 4 will have only the nominees of two old line parties—Adolfo Benard, conservative, and General Jose Maria Moncada, liberal—to choose between.

S. P. Witness On Stand Today In I. C. C. Hearing

PORTLAND, Ore., July 30 (AP)—Two Southern Pacific company representatives took the stand in the interstate commerce commission grain rate hearing today to refute declarations by the Oregon public service commission that the railroad could reduce its freight rates 50 per cent in Oregon and still make money.

C. E. Day, Southern Pacific civil engineer, declared that it costs 59 per cent more for main line operations in Oregon than on the Southern Pacific system as a whole. He said there was a 65 per cent greater carrier charge in Oregon, including main and branch lines, than on the rest of the system. He introduced statements to show that on the valley line of the road in California, there could be hauled from Chico to Bakersfield 76 per cent more freight eastbound and 128 per cent west bound for the same cost as over the Siskiyou route in Oregon. He also said that over the Chico-Bakersfield section 53 per cent eastbound and 59 per cent westbound could be hauled at the same cost in comparison with the Cascade line in Oregon.

He attacked Mr. Newell's system of figuring at all points.

UPSETS MARK SECOND DAY IN OLYMPICS

(Continued from Page 1)

Rehman's triumph was cheered vigorously by the Yankee contingent as well as throughout the stands as "Lord Davy," pink-cheeked and smiling, was carried off the field on the shoulders of teammates.

Cuhel, stranger of the two Americans, appeared victim of a poor start, but was outrun in the final dash after pulling up even with the Briton.

Third Upset

A big upset came when Dr. P. O'Callaghan of Ireland won the Olympic hammer throwing championship with a toss of 51.39 metres. Skold of Sweden was second and the Americans, Black, 6) was and Connor, finished third, fifth and sixth, respectively.

In a day in which they were beaten in all three finals the Americans gained small satisfaction by increasing their point lead. Totals showed the United States with 35 points, Britain 19, Finland 17, Sweden 16 and Canada and Ireland each 10.

Today's winners were comparative unknowns in two of the three events while Lord Davy Burghley of England, who won the 400 meter hurdles, was listed as one of the most promising contenders but was given little chance to beat the American Morgan Taylor, who was defending his championship won in 1924. The time was 53 2-5 seconds which was not nearly as good as Taylor has done but fast considering the track.

Movies to Decide Fifth

Williams, British Columbia school boy, sprang the big surprise in the 100 metres by defeating the world's best, including the high rated Americans, Frank Wyckoff and Bob McAllister, who could do no better than fourth and sixth respectively. McAllister and Lyez, of South Africa, who was given fifth place tentatively, finished so close together that the final award of places had to be postponed until movies of the race could be studied. Jack Landon, British negro, and George Lammers, the German took second and third in the race, which was won in 10 1-5 seconds one-fifth slower than the Olympic record.

Irish-Americans had been coming off with the hammer throwing championship for Uncle Sam repeatedly in past Olympics but this time an Irishman, throwing for Ireland won when Pat O'Callaghan got the ball away 165 feet 7 1-2 inches to beat Ossian Skold of Sweden by four inches. Edmund Black, the best of the Americans was a poor third more than seven feet behind, while his team mates, Dan Gwynn and Frank Connors, trailed the Italian Pogzioli, who was fourth.

ELKS GET WELCOME AT MIAMI

Looks as if the girls are in what the novelists might call a precarious position, doesn't it? However, the elk is a "good elk" and will not run away with them. The girls mounted the elk during the Grand Lodge B. P. O. E. convention at Miami. They are, left to right: Marjorie Heath, Carolyn Losler, Marian Riordan and Billie Johnson.

Beagle Store And Post Office Burns

MEDFORD, Ore., July 30 (AP)—The Beagle store and post office, operated by Joseph Mayfield, was completely destroyed by fire Saturday evening causing an unestimated loss. An empty ranch house nearby was also destroyed and two square miles of grass covered flat was burned over, endangering two farm houses. The fire was believed to have been caused by boys playing with matches.

Obituary

MATTHEW W. MITCHELL

COVE, Ore., (Special)—Matthew W. Mitchell, a prominent and highly respected citizen of Union county, passed away at his home here July 27, at the age of 84 years, eight months and 14 days. He was born Nov. 13, 1843 in Lafayette County, Mo. With his parents he crossed the plains with an ox team in 1852 and settled in Douglas county. In the spring of 1862 he moved to the Grande Ronde valley. After his removal here, he attended the Roseburg academy, and upon graduation from there, he taught school in Douglas county for several years. He also taught in the Grande Ronde valley for three years.

In 1870 he was married to Miss Josephine Stevens Lookingglass, of Douglas county. To this union, one daughter was born. A few months later his wife passed away. In 1881 he married Miss Jessie Ritchey, who lived but a few years and again he was left alone, until his marriage to Miss Matilda J. St. John, in the early 90s. Mr. Mitchell was engaged in farming and the raising of fancy stock.

In 1878 he was elected to the state legislature. He has been for many years an invalid, and for the last eight years has been confined to his bed. His wife passed away in January of this year. He is survived by his daughter, Mrs. Lillian F. Brown, six grandchildren and four great-grandchildren, all of Portland, Ore.

His daughter, Mrs. Brown and his granddaughter, Mrs. Small, have been here caring for him since the death of his wife in January. Funeral services were held at the Methodist Episcopal church on Sunday.

CHARLES FRANCIS BROOKS

Funeral services were held here yesterday for Charles Francis Brooks who passed away July 25 in Portland. Services were held from the Hunter & Bohnenkamp mortuary.

Charles Brooks was born in Portland on Nov. 1, 1838, and came to La Grande at the age of seven months growing to manhood here. He received all his education, with the exception of one year at Washington High school in Portland here. Mr. Brooks was made a fireman for the O.-W. in 1928. He died at the St. Vincent's hospital following a goiter operation, at the age of 39 years, eight months and 24 days. He was the son of Mr. and Mrs. F. P. Brooks, of Kamela. Mr. Brooks was married to Muriel Cook, of Castle Rock, Wash., on Dec. 20, 1919. To this union were born three children, Charles Francis Jr., 7, Ernest Franklin, 5, and Iona Maud, 4.

Others who mourn his loss are his aged grandfather, G. T. Shaw, of Kamela, his grandmother, Mrs. Brooks Bremer and husband, of La Grande, his uncles and aunts, Harry S. Brooks and wife, of La Grande, Duran Shaw and wife, of Richfield, Ida., William Shaw, of Salem, Orvil Wallace and wife, of Pasco, Wash., Ben Wallace and wife, Victoria, B. C. and Victor Adcock and wife, Portland, and Mrs. Anna Brooks, of La Grande.

Other surviving relatives are Mr. and Mrs. F. R. Cook, Castle Rock, Mr. and Mrs. S. C. Cook, Castle Rock, Mr. and Mrs. Harry Huckstep, Pendleton, besides cousins and many friends.

Interment was made in the Masonic cemetery.

Guard Company To Receive Pay At Drill Tonight

A total of $975.72 in United States treasury checks will be distributed to the members of Company E at the regular drill period tonight. These checks represent the armory drill pay for the quarter ending June 30.

The drill attendance table that is sent out by the headquarters of the Oregon national guard each month, shows the La Grande company topping the list of all the rifle companies in the state, for attendance at drill during June, with an average of 92.2 per cent for the month.

Although some members of the local company are on vacations, working in the harvest or fighting forest fires, there are still enough members of the company in town to make the weekly drills interesting and also maintain the rating in class A.

The schedule for tonight's drill is as follows: Instruction in rifle marksmanship by platoon leaders, instruction in military courtesy by Lieutenant Sanford, check of personal equipment and payment of the company by Captain Bean.

Enlistments since camp are Nolan Skiff, Dallas W. Green, William J. O'Neal, Clifford Cochran and H. Yeske, transferring from Company B, 186th Infantry to La Grande. The following members of Company E have been discharged or transferred since returning from camp: Edwin Jack, Van Yates, Joe Hutchison, Ivan S. Storey.

Volcano Quieter; People to Return

MANILA, July 30 (AP) — The volcano Mayon quieted down somewhat today and authorities and relief agencies working among the terror stricken populace of western Albay province are urging residents to return to their homes.

As a means of forcing them to return, aid is being withheld until they go back to their homes. This method has been exercised everywhere except in one village which is considered in the danger zone.

TO DEPORT DELEGATE

BOGOTA, Colombia, July 30 (AP)—Dispatches from Barranquilla today said Alberto Castrillon, Colombian workmen's delegate to the last Moscow conference, had been ordered deported to Mexico by the departmental governor on instructions from the ministers of state and war.

WASHINGTON, July 30 (AP)—A survey to determine the feasability of constructing a dam in the Colorado river by the government got under way today at the interior department in response to a request by congress for such an examination.
