I don't know how other people feel about it, but I'm getting pretty sick o' th' word "gesture." Nobody was ever so quick an' snappy that they wasn't seized with indecision when confronted by French posties.

UNION PERSONALS

UNION (Special)—Dr. and Mrs. Mark P. and his mother, Mrs. Edith P., returned to Eugene last week. Mrs. P. is the daughter of Mrs. Edith P., who has been in the office of Dr. P., president of the University of Oregon. They returned to Union the first of this week. Mrs. P. will remain here with relatives for her vacation, which will be for the month of August.

Richard, Zephia, Larry and Jerry, the four small children of Mrs. Edith P., returned to Eugene last week. Mrs. P. is the daughter of Mrs. Edith P., who has been in the office of Dr. P., president of the University of Oregon. They returned to Union the first of this week. Mrs. P. will remain here with relatives for her vacation, which will be for the month of August.

H. K. Hamilton, district superintendent for the western division of the fishery conference, was in Union Monday evening to hold his fourth quarterly conference of the year. The Ladies Aid furnished a buffet lunch which was served on the church lawn, after which the visitor and local board members held their business session in the church. There was the usual selection of officers reported by the heads of the several departments of the church and other plans for the coming conference year. The board voted to have a teacher training department for the next year's work and they also voted to reorganize that the general conference would be held in Eugene, Oregon, in the fall of 1928. At present the Methodist church in Union is the only one in Union that is maintaining a resident pastor.

Mrs. Ruth Grimes was taken to the hospital at Baker a few days ago.

Members of the headquarters company of the national guard located here enjoyed a "feet" at the home of their commanding officer, Lieut. Adolph Goodland, Tuesday evening. Mothers and wives of the guard boys secured a dinner consisting of goose, chicken, salad, creamed potatoes, coffee, pie and ice cream by the company. Tables were served under the trees near Goodland lake and the boys thoroughly enjoyed the occasion. The only visitors were Captain and Mrs. W. W. P. from La Grande. Following the dinner the guard held its usual drill.

But now is a busy time at the state fish hatchery, with the crew the little trout need during the hot weather and the various traps that are being made to place the small fish in the lakes and streams. Two truck loads of fish were taken to Douglas county this week and

ASTORIA BEGINS BATTLE FOR NEW, LOW GRAIN RATE

ASTORIA began its case today before the interstate commerce commission to get a lower grain rate from south of the Snake river. At present Astoria has the same rate as Portland on grain north of the Snake and the same rate as Seattle on grain south of that river. Astoria asked that all grain rates on the Columbia river, and Puget Sound be granted the same rates from all the grain territories that may have differential—north of the Snake in favor of Seattle, south of that river in favor of Portland.

CONFLICTING VIEWS ON AMUNDSEN'S FATE

MOOSEWATON, Aug. 2 (AP)—Conflicting views as to the probable survival of Roald Amundsen and of the six men carried away by the balloon part of the dirigible Italia, were given here today when Prof. Vise and the aviator Babushkin, arrived to report on the rescue work of the ice breaker Malagin. Prof. Vise was head of the expedition aboard that vessel.

TOOTHACHE STOPS SHIP

PANAMA, Aug. 2 (AP)—The pains of a toothache forced Joseph Hanna, skipper of the Ochoa, to land light in venting out in the heavy seas yesterday and stop the steamer Lillian Lakeland to get a remedy. He flew the British flag reversed as a signal of distress and after receiving assistance he returned to his lonely vigil while the vessel continued on to Cristobal.

ASTORIA BEGINS BATTLE FOR NEW, LOW GRAIN RATE

PORTLAND, Ore., Aug. 2 (AP)—Astoria began its case today before the interstate commerce commission to get a lower grain rate from south of the Snake river. At present Astoria has the same rate as Portland on grain north of the Snake and the same rate as Seattle on grain south of that river. Astoria asked that all grain rates on the Columbia river, and Puget Sound be granted the same rates from all the grain territories that may have differential—north of the Snake in favor of Seattle, south of that river in favor of Portland.

FIND FORMER CONGRESSMAN GUILTY TODAY

CHICAGO, Aug. 2 (AP)—Charles E. Wharton, former congressman and former assistant state's attorney, was found guilty by a federal jury of conspiracy today in connection with the \$127,000 grand trunk mail robbery at Evergreen Park last February. Charles "Happy" Cleaver, co-defendant and accused ring leader of the robbery band was found guilty of conspiracy and six other charges.

WHARTON, UNDER VERDICT, FEELS TO REMAIN

Wharton, under the verdict, feels to remain, then Astoria wants the same rate that Portland receives although 21 miles farther away from the wheat-producing territory.
