Close Weak In Street; Prices Today Up, Down

NEW YORK, Aug. 8 (AP)—Further irregularity developed at the opening of today's stock market. Rails, which staged a temporary rally yesterday, again started forward under the leadership of St. Louis Southwestern, up 1½ points. The demand for the mail order shares continued unabated, Montgomery Ward and Sears Roebuck each opening a point higher. Heaviness developed in such popular industrials as American Can, American Linseed and U. S. Steel common.

The closing was weak. Short selling was more general after it became evident that pivotal industrials were vulnerable to pressure again. Here and there stocks kept pointing upward but a great many shares were quoted 1 to 8 points under the previous close in late dealings.

Japan Sends Note To Warn Chinese

TOKYO, Aug. 8 (AP)—Japan today told the nationalist government at Nanking, China, that unless it foregoes its abrogation of the commercial treaty between the countries and maintains the extra territorial rights of Japanese citizens, the Japanese government "may be obliged to take suitable measures to safeguard its rights and interests."
