Chrysler Hits New High Mark In Wall Street

NEW YORK, Aug. 14 (AP)—The stock market displayed another complete reversal of turn today, selling off sharply during the morning and then rallying heavily in the afternoon. The recovery was stimulated by the lowering of the call money rate from 7 1/2 to 7 per cent. Early losses of 1 to 4 points in the active issues were largely recovered and replaced in many instances by gains of 1 to 2 points. Trading which had been dull in the decline, picked up in the rally. Chrysler was again the leader of the market, moving up 1 1/2 on a big turnover. Duesenberg Motor crossed 61 to a new high ground General Motors, which broke four points in the morning reaction, recovered a substantial part of its loss. Railroad shares were not affected by reports that a strike vote was being taken on western roads. Jersey Central, ordinarily inactive, soared 12 points. The closing was steady. The bears seemed to have exhausted their ammunition and ran to cover when another raid on General Motors which forced it to 17 1/2, a loss of 5 points failed to disturb the remainder of the list to any extent. Shading of call money to 6 1/2 cents caused a number of points of strength to develop. Atlantic City timing jumping 3 points. Total sales approximated 2,100,000 shares.
