**A Sensible Thought About Shopping at Home**

"Is your home a customer?" I asked myself. I never shop until I have the things I really need. Now if I have the slightest bit of doubt, I go home and think it over.

"Then, too, the salespeople here know so much more about what I need. They often telephone me when new things arrive."

"Shopping at home seems only sensible to me," she concluded.

## Do You Know

that the Heart is the only machine of which we know that will absolutely last a life time?

As a pump it is so perfect that in the average life time it pumps a total volume of nine million gallons of blood, making two billion five hundred million strokes.

Uninterrupted nerve supply is vital to the function of the heart. Be sure that there is no pressure along the spine where these nerves leave the spinal cord and it will perform its duty throughout life.
