CARD AND GIANT TEAMS BOTH LOSE

Situation in Both Majors Unchanged; White Sox Move Up

BY HERBERT W. BARKER (Associated Press Sports Writer)

Thanks to long McWeeny and the Brooklyn Robins, the Giants still retain their slender hold on the national league's pace-setting position.

While the Giants were bowing to the Cincinnati Reds yesterday, McWeeny pitched the Robins to a three-hit 5 to 1 victory over the runners-up St. Louis Cardinals and thus enabled the New Yorkers to lead the league pennant competition by two percentage points.

Lucas Stops Giants The Giants' rush stopped abruptly in the face of Red Lucas' hurling in Cincinnati. Red held the leaders to five hits and two runs and lost 2 to 1 triumph by punching four hits and a sacrifice off Fredy Plutissimo in the second inning.

A victory for the Pittsburgh Pirates and a defeat for the Chicago Cubs further tightened the situation among the third, fourth and fifth place clubs in the senior circuit.

The Cubs, beaten for the sixth consecutive time by the Phillies 3 to 1, lost third place by only two percentage points while the Pirates by defeating Boston, 6 to 2, drew to within eight points of the Reds who are fourth.

Junior Race Unchanged The complexion of the American league race remained unchanged as the New York Yankees, by Philadelphia Athletics both won, leaving the champions five and one-half games in front of the A's.

Behind good pitching by Jack Quinn, the A's pounded four homers and maintained for sixteen hits and an easy 12 to 4 triumph at Philadelphia.

White Sox Climb The Chicago White Sox replaced the Indians in fourth place by taking over the Washington Senators, 3 to 1, Grady Atkins allowing seven hits, Nick Altrock, official coach and "Punchy" Man of the Senators, was chased from the bench for "raising" the umpire and Johnny Mostil got the same punishment when he exhibited his displeasure after umpire Guthrie ruled he had not caught Barnes.

Washington fell into seventh place through this defeat which was coupled with a 4 to 3 win for the Detroit Tigers over the Boston Red Sox.

Frisco Beaten By Beavers, 6-1; Sacramento Wins

Pacific Coast League Standings

BY THE ASSOCIATED PRESS The Beavers failed to continue the performance of their winning activities shown against Los Angeles last week and fell 6 to 1 to the Beavers in a lopsided game.

The Beavers' victory was responsible for two of three errors credited to Seattle's Harry French as he found himself on the field around. And although he allowed nine hits he kept them scattered and ineffective.

The Reds failed abruptly an eight game losing streak by scoring the opening run with Oakland, 6 to 5. Philieo blanked the Aces to the eighth when they were hit by singles to score three times.

The Senators grabbed the first game of the crucial series with the Stars, 6 to 3, to increase Sacramento's lead on the league leadership by two games.

Los Angeles and Seattle did not play because the Indians were traveling.

U. S. With Four Straight Victories Meets British in Walker Cup Play

By O. B. Kivler ATLANTA, Aug. 22. (AP)—The fifth international competition between amateur golfing teams representing Great Britain and the United States, at the Chicago Golf Club, Wheaton, Ill., August 20-21, for the Walker Cup, presents a veteran American outfit.

Every one of the eight regulars has played in at least one previous Walker Cup match, though the two alternates, Gene Homans and Maurice McCarthy, will be new to the event in case they are called on.

The British team has four veterans and six new members among the ten.

The United States has won all four of the previous matches. The first was in 1922, at the National Links of America, Southampton, E. I. The United States won the foursomes 3 points to 1 and the singles 5 to 2, taking the match, 8 points to 4.

In 1923 the competition was at St. Andrews, Scotland. The Americans lost the foursomes, 1 point to 3, and won the singles, 5 1/2 to 2 1/2, winning the match, 6 1/2 to 3 1/2.

In 1924 the match was played at the Garden City Golf Club, on Long Island. The Americans took the foursomes, 2 points to 1, and the singles, 6 to 2, winning by a total of 8 to 2. It was then decided to play the match every two years instead of every year.

In 1926, the last competition, the play again was at the Royal and Ancient Golf Club, St. Andrews, Scotland, and the Americans had another close call, a halved match, gained by George Von Elm with Major Hazlet averting a tie.

The Americans captured the foursome, 3 points to 1, and lost the singles, 3 1/2 to 4 1/2, winning the match, 6 1/2 to 5 1/2.

The captain of the home team this year is Robert T. Jones, Jr., and of the British outfit, Dr. William Tweedell, last year's amateur champion of Great Britain.

Olympic Team In New York; Given Noisy Welcome

NEW YORK, Aug. 22. (AP)—The main body of America's Olympic athletes returned today from Amsterdam aboard the liner President Roosevelt and received a noisy welcome.

While some of the athletes appeared disheartened and disappointed at the showing of their team abroad, Major-General Douglas MacArthur expressed the official attitude by issuing a statement in which he had high praise for the improved quality of athletic competition abroad and pointed to what he said is an unprecedented number of records broken by the American entrants to indicate the strength of this year's Olympic field.

The Olympic ship was met at Quantico by the mayor's committee aboard the official reception boats, the Mason and Manhattan, and escorted on the bay to the accompaniment of shrieking airplanes, trailing of whistles, the flaring of a band and blasts of water from high into the air by a fireboat off the battery.

Because of the rain which was falling when the vessel docked it was decided to have the city's official reception in the town, instead of at the pier, disposition with the scheduled parade up Broadway to the City Hall.

PLYMOUTH, Eng., Aug. 22. (AP)—Gene Tunney, retired heavyweight boxing champion, arrived on the steamship Mauretania early this morning. While most of the passengers slept, Tunney and a friend disembarked a mile from shore and came to land on a tender.

After a hurried customs formalities, the ex-boxer set out for London by automobile, through the rain and mud of a typical English day.

Before disembarking, Tunney received a group of British and American newspapermen in his cabin, answering all sorts of questions with the exception of those having to do with his coming marriage.

"Are you going to be married in England?" an English reporter asked him abruptly.

"That is a private matter. Please do not ask me about it," Tunney replied. He emphasized that he is through with boxing forever and that above everything else during his present trip to Europe he wants privacy.

WILL ROGERS COMES TO AID OF AVIATOR

NEW YORK, Aug. 22. (AP)—Will Rogers, flying cowboy humorist, has come to the aid of another aviator—Fred Stone—at the cost of some \$500,000 to himself.

Stone was crippled in an airplane crash last week when he was to go into retirement for a new financial company about starting his own and his daughter, Dorothy, Rogers offered to take his friend's place. Charles Dillingham, producer of the yet unstarted show accepted the offer.

Rogers will lose close to \$100,000 in cancelled motion picture feature writing and personal appearance contracts, Dillingham said.

Rogers telegraphed Stone: "If you don't want Dorothy to wait until you have recovered, I will go into the show with her, just to sort of plug along till you are able to rejoin, and I will do the best I can with your part.
