## HY-PEP-SEN

A Laxative Tonic and System Cleanser

There are two processes continually taking place in your body. One is the building up of your bone, blood, nerve and tissue. The other is the carrying off of waste matter and impurities. If your digestive organs fail to do their duty, portions of this waste matter remain in the stomach and intestines where they ferment, sour and decay, causing indigestion, sour stomach, dyspepsia, kidney trouble, etc.

Hy-Pep-Sen is recommended to restore the stomach, liver and bowels to their natural functions thus correcting the causes of many ailments.

## OFFICE CAT

By Junius

THE GREAT AMERICAN TRAGEDY

"Mother," said the 12-year-old boy, "I've got a daddy?"

"Yes, son," replied the mother. "This where is he?" I don't remember ever seeing him."

"You haven't seen him since you were a little baby?" replied the mother with a sob in her voice. "But I hope and pray you will see him soon. I expect him home in the next year or two."

"But where is he?" persisted the boy.

"He's waiting his turn to get on the public golf links," explained the mother.

## HOW TO TELL THE AGE OF WOMEN BATHERS

With vanity gone and magazine—26 to 29.

With sunny gaze and magazine—26 to 29.

With handling, vanity gone, no eye, bathing hat and bathrobe—35 to 45.

With two handbags, bathrobe, umbrella and a bag of apples—45 and up.

"Mary," said the mistress of the house, "I am going to the down on the street for half an hour. Call me at 6 o'clock if I happen to drop off, will you?"

Sometime later she woke up suddenly as the clock began striking. "It was six," Mary, she cried. "Why didn't you call me?"

"But, ma'am," she began, "you distinctly asked me to call you if you dropped off, and when I looked in at five you hadn't dropped off at all. You were lying in the same place, fast asleep."

Two friends who had not met for a long time sat in a restaurant talking.

"How is old Stages, the promoter, getting on?" inquired one.

"Oh, he's not feeling very well today," was the reply. "He has to look to every article that has a little of certain food."

"What's wrong with him?" queried the other. "Indigestion?"

"No. In prison."

A SLIGHT MISUNDERSTANDING

Neighbor: "May I use your lawn mower?"

Owner: "No, your children use my lawn mower than we do now."

A man met a friend who was about to be married. "Let me congratulate you, old man," he said. "Forget me to say that I feel sure you will always look back on this day as the happiest in your life."

"Thank you, old chap," said his friend. "But it's tomorrow that I'm to be married."

"Yes," answered the other. "I know that."

## AT THE THEATERS

### Blackface Comedians Head F. & M. Idea

Sweet William and Mad Bill, blackface comedians whose drill dancing has earned nation-wide recognition through radio on Broadway, which recordings will appear in person at the Arcade Theater tonight heading Fanchon and Marco's "Bath Tub" idea.

This will be the first stage appearance of these southern gentlemen since signing their exclusive recording contract which allows them occasional radio appearances.

There is little trace of burnt cork in the dialogue of this team as both had had from below the Mason and Dixon line. They are familiar with the real southern idiom besides having themselves an excellent sense of humor which reflects itself in their original witty dialogue.

The "Bath Tub" idea features Sweet William and Mad Bill, the San Francisco Junior Beauties, Fanchon and Marco's crack line of fast steppers. Others in the presentation are Lucille Page, acrobatic dancer, the Gilmartin Quadruplets and Myrtle and Johnny, comic and dance specialty acts.

### Hoot Gibson At Star Thursday

If you want to see something unusual in Western cinematography, don't fail to see Hoot Gibson, Universal's new star, in "The Wild West Show," which is to be the feature attraction at the Star Theater Thursday.

It's a circus (beginning to end, with Hoot appearing in the role of Hoot Gibson, star cowboy of the country, and the complications in the photo appear all the more intensely exciting. Here the show ship with an extra "side-show" thrown in by the other members of the cast.

To begin at the beginning, he takes a man of his cowboy prowess to a small town circus and because the performers don't come up to expectations, they start a riot. The riot frightens the horses building a stable coach used in the show and the leading lady is carried away in one of the most breath taking dashes ever screened.

Hoot and his gang go in pursuit and finally rescue the girl. Hoot discovers he is in love with her. He tries off to work in the circus as a general handy man and as the villain doesn't like him he is forced to undergo many humiliations. To cap the climax, Hoot is the victim of a frame-up carried out by orders of the bad man.

The villain has his confederates rob the owner of the circus and Hoot the money so Hoot will be the suspect. However, the heading
