OLD GOLD bats 1000% as Hornsby takes the Blindfold cigarette test

Rogers Hornsby... capable captain of the Boston Braves... captain of the 1927 New York Giants... manager of the 1926 St. Louis Cardinals...

Mr. Hornsby was asked to smoke each of the four leading brands, clearing his taste with coffee between smokers. Only one question was asked... Which one do you like best?

What gives OLD GOLD this winning charm? Here is the answer, in three words... heart-leaf tobacco. No coarse, heavy top-leaves of the tobacco plant... for they irritate the throat... No withered ground-leaves... for they are lacking in aroma. Only the cool and fragrant heart-leaves... Golden ripe... can give Old Golds their honey-like smoothness. That's why you can tell them in the dark. OTHER AND BETTER—"NOT A COUGH IN A CARLOAD"
