

Freshman Week At University Begins Sept. 24

UNIVERSITY OF OREGON, Eugene, Aug. 24 (Special).—The freshman week at the University of Oregon, which starts Sept. 24, has been worked out by Registrar Earl M. Patton and indicates that the first year students will have a busy time of it during the first days of the week. The week will be largely devoted to acquainting the freshmen with the campus, the library, and registration procedures, and to making a large number of adjustments in the freshmen's life.

SKAGGS SAFEWAY STORES

Distribution Without Waste

Lowering Sales Costs

There are 1400 Safeway Stores with 20 district offices or distributing points. If these stores were independently operated and each store did its own buying it would necessitate 1400 calls and thousands of miles of travel by salesmen to take the orders of each of these stores. The manufacturer's representative calls on 11 Safeway buying offices to accomplish the same results. No wonder we can buy and sell much cheaper!
