

PONTIAC TELLS OF SEVEN CHANGES

Some Improvements Expected in New Five-Door Sedan

PONTIAC, Mich., Sept. 1.—The new five-door sedan, which will be introduced in the near future, will be a real improvement over the four-door model, according to the Pontiac engineers. The new car will have a more powerful engine, a more efficient transmission, and a more comfortable ride. It will also have a more modern appearance, with a more streamlined body and a more spacious interior. The new car will be available in two models, a standard model and a deluxe model. The standard model will be priced at \$1,200, and the deluxe model at \$1,400. The new car will be a real improvement over the four-door model, and it will be a real bargain for the money.

Whippet Demands Establish World Record in Sales

Whippet, the new four-door sedan, has established a world record in sales. It has sold more than 10,000 units in the United States, and it has a waiting list of more than 5,000 units. This is a record for any car in the world. The Whippet is a real bargain for the money, and it is a real improvement over the four-door model. It has a more powerful engine, a more efficient transmission, and a more comfortable ride. It also has a more modern appearance, with a more streamlined body and a more spacious interior. The Whippet is available in two models, a standard model and a deluxe model. The standard model is priced at \$1,200, and the deluxe model at \$1,400. The Whippet is a real improvement over the four-door model, and it is a real bargain for the money.
