An auxiliary is to be instituted soon at Baker. The principal speakers of the evening were: Jess V. Lapp, F. O. E. state organizer, and C. D. Long, of Klamath Falls, state secretary. After the lodge meeting an enjoyable program was given by the Baker county chamber of commerce goodwill vaudeville troupe. Songs by the "Percolating Four" with the Misses Lucille Hiatt, Wilma Grant, Georgia Colen and Charlotte Hill performing, was the first act on the program.

The second act consisted of several instrumental selections by a harmonica artist, Carl Steckel. Acrobatic stunts by "The Two Dumbells, "Charles Smith and Sealy Carson, constituted the third act.

A series of Spanish songs and dances by the "Percolating Four" and J. H. Hollingsworth, was the finale of the entertainment.

Baker lodge is coming to La Grande in the near future and will be accompanied by these players who have been playing in a number of towns in Oregon and Idaho.

Following the program, a fine banquet was served in the W. O. W. banquet room.

South is the Declarer with Spades the trump. During the auction East has bid Diamonds.

QUESTION No. 7. What four cards should be played to the first trick?

Answer Blank

West should play lead ————; Dummy should play ————; East should play ————; South should play ————;

Answer

West should lead the Queen of Diamonds; Dummy should play the Nine of Diamonds; East should play the Ace of Diamonds; South should play the eight of Diamonds. West's lead is the natural one in response to his partner's bid. With a fourchette, Dummy's natural play would be to cover, thus forcing out the adverse Ace and making Dummy's Jack the high Diamond; but to do so would place the lead in the East hand and as East could set the Jack-Nine of Diamonds in Dummy, he probably would not continue the Diamonds, but would lead Clubs up to Dummy's weakness. If West have the Ace of Clubs this lead would save game for the adversaries. But if the lead be left in the West hand at the end of trick 1, game must be made by Declarer because West cannot make any lead which will save it.

When Dummy fails to play his King of Diamonds on the first trick, a clever East could diagnose the situation and play the Ace on his partner's Queen in spite of the fact that so doing would leave Dummy with a good King-Jack of Diamonds. Then, having secured the lead, East leads the Clubs up to Dummy's weakness.

Tuesday, Wednesday and Thursday of each week for about six weeks, Mr. Work will present a most interesting and instructive series of Auction Bridge queries.

Start a contest in your family and with your friends on this special series. You will be rewarded with a greatly increasing knowledge of Auction Bridge and increased enjoyment from this great game. Tell your friends.
