Grande was organized three years ago in May.

CONTRACT BRIDGE
We are today starting a series of Contract hands in which North and South do all the bidding, East and West passing whenever it is their turn to declare. Today we will consider a No Trump proposition. The hands follow:

♠ J-6-4	♠ A-10
♥ A-K-10	♥ J-8-5
♦ J-8-5	♦ 6-3-2
♣ A-7-5	♣ J-6-3
♠ A-10-9-4-2	♠ A-Q
♥ A-Q	♥ A-Q
♦ A-Q	♦ A-Q
♣ A-Q	♣ A-Q

South is the Dealer and the question is how should the South and North hands be bid at contract. Make up your mind before you read the explanation that follows.

The Bidding
South should bid one No Trump. He has three suits stopped with a hand counting 15 (on the basis of Ace 4, King 3, Queen 2 and Jack 1). He has three cards in his defenseless suit, and he has no Major suit bid; so there is no question about the soundness of his No Trump.

North should bid two No Trumps. Upon the basis of the above count, North's hand totals 8, and except that a two-Ace holding (counting 3) justifies a jump of partner's one No Trump to two, 8 is the minimum for that jump. South, after North's two No Trumps, should bid three No Trumps. A one No Trump bid is justified by a minimum count

Dry Worker Supports Smith

Mrs. Lucy Reed

Thirty years a temperance and prohibition worker, Mrs. Lucy Reed, 79, venerable member of the Knoxville, Tenn., W. C. T. U., has announced her support of Al Smith for president. She says both parties are "wet," but she believes Smith will respect his oath of office and enforce the prohibition laws as long as they remain on the books.

of 13 (possibly in some cases 12; and when bid with the minimum or little better than the minimum, a rebid should not be made after a jump by partner. In this case, however, 15 (three points over the rock bottom minimum) warrants a jump to three after partner's jump to two; it is the lowest count that does so.

It is a close question whether South's hand will produce three odd; it depends upon the distribution of the adverse cards. When this hand actually was played, West opened by leading the Deuce of Hearts, dummy won with the Ten, and led the Jack of Diamonds. The first Diamond finesse lost, but the second won and Declarer consequently made one Spade, three Hearts, four Diamonds and one Club—contract.
