

DO YOU WANT TO VOTE?

Election Day, Nov. 6

YOU CAN'T VOTE!

—IF YOU AREN'T REGISTERED BY THE END OF THIS WEEK!

Perhaps you have forgotten that the old practice which permitted swearing in unregistered voters on election day is now forbidden by law in Oregon. You must be registered if you are allowed to vote -- or you must have voted within the last two years. If you voted in the primaries, you are already registered. If you didn't vote in the primaries, you should investigate -- be sure you've registered.

Saturday Is Your Last Chance

Registration Books Close October 6th

If you're not now registered and fail to do so by Saturday of this week, October 6th, you cannot vote in the general election on Tuesday, Nov. 6th. You owe it to yourself, your community, and to representative government to exercise your franchise. Register NOW before it's too late. The County Clerk's office is temporarily located in the corner room of the La Grande Hotel Bldg. Register -- and see that your neighbors and friends are registered THIS WEEK!
