FOUR REMAIN IN E. O. GRID RACE

Mac-Hi, La Grande, Pendleton and Prairie City Undeclared in Oregon

With the football season in Eastern Oregon still in the first half, there remain only four teams undeclared in association play, and of these, two have lost to Washington state teams.

Milton-Freswater, 1926-27 Eastern Oregon title holder, dropped a close game to Dayton last week, 6 to 9, and Pendleton, hitherto with a clear shot, was defeated 13 to 0 by Kennewick, Wash. However, neither Mac-Hi nor the Dickinson eleven has had a defeat within the Eastern Oregon district.

The other two teams that have been victorious so far are La Grande and Prairie City. Prairie City, however, has only played Baker and Union, winning from both 14 to 6, and in the event that the Grant county team and some other eleven come through the season undefeated, Prairie City, in order to have a real claim to the title, would have to arrange for a play-off.

La Grande has eliminated Walla Walla county from the race entirely, winning from Walla Walla 9 to 0 and taking Caterpillar into camp 25 to 6. Friday La Grande goes to Mac-Hi for one of the crucial games of the year and the following week Baker comes here. Baker lost to Prairie City 14 to 0, was smothered by Boise 22 to 12 and broke even with Walla Walla 6 to 6.

KENNEWICK WINS

PENDLETON, Ore., Oct. 15—The Kennewick griders took their first defeat of the season Saturday at Kennewick 13-0 in a game which found Pendleton against a well-matched and hard playing eleven. Fumbles on the part of the Pendletonians set the winners in position to count.

In the second half a fumbled kickoff by Gagli put the Kennewick eleven in position to set their power plays in motion and they counted on straight football. A fumbled kick by Prerad in the last quarter enabled the Washington eleven to put over another counter.

Prairie City Is 14-6 Winner Over Union High Team

Union High and its first Waterloo in football combat this year when it was defeated on the local grounds Saturday afternoon by a team which had already triumphed Baker by the same score that it won the game here, 14 to 6.

The first part of the game was so evenly played that neither team was close to the goal line before the signal ended the half. Resuscitating back and forth across the field, Prairie City forged ahead mostly by line plunges with Union making sprints around the ends. Passes were conspicuous by their absence in this part of the game. The teams seemed so evenly matched that it began to look like a no-score contest. During the rest between halves it developed that Union had two of its best players out, Parment with a broken wrist and Mires with a cracked collar bone.

Union began the second half by scoring before play had gone very far, and Prairie retained by also carrying the ball over. Kicking about by gaining the extra point with a successful kick. Again in the last quarter the visitors scored and again made a true kick over the goal line. Passes were being opened up by this time and Union made a tremendous effort to cross the field, completing pass after pass, but fumbles and other setbacks prevented them from securing more than the six points. Prairie has a good team which plays ball every minute of the game. Union, although crippled by the loss of half her backfield and compelled to use subs, displayed fine sticking qualities and was highly praised by local fans for their brand of playing.

COCHRANE MOST VALUED PLAYER

Athletic Catcher Is Honored Today by American League Teams

CHICAGO, Oct. 16—(AP)—Gordon "Mickey" Cochrane, twenty-five year old catcher for the Philadelphia Athletics, today was named as the most valuable player to his club in the American league's 1928 season. Cochrane won the award by a margin of only two points over Heinie Manush, St. Louis outfielder.

In addition to having his name inscribed on the junior circuit's honor roll along with the previous winners, Cochrane will receive \$1,000 in cash. The award was made by a commission of baseball writers from each city in the league. In the voting, Cochrane received 52 points while Manush, who finished second in the American league's individual batting race, received 51.

Every member of the commission voted for Manush, two placing him first, one second, four third and one fifth. Second baseman Tony Lazzeri and Pitcher Walter Hoyt of the New York Yankees came in for one first place ranking each. Cochrane, who joined the Athletics in 1925 and immediately broke into the regular lineup, ranked fourth last year with 35 votes after receiving four votes in 1926. Mickey came up to the Chicago Mack club from Portland, Ore., of the Pacific coast circuit where he started his professional baseball career after an eventful baseball and football career at Boston university. He caught in 126 games in the season just closed. While only hitting 293 Cochrane was ranked by members of the commission as being largely responsible for the showing of the Athletics during the closing days of the campaign. His throwing arm and ability to tag runners out at the plate placed him high in the estimation of the baseball writers. Manush polled 16 votes two years ago when he led the league in batting but slumped in the eyes of the commission last year and did not receive a vote. This for third place there was a tie for third place between first baseman Joe Judge and Lazzeri of the Yankees, each receiving 27 votes. In fifth place was Willie Kamm, Chicago White Sox captain and third baseman, while Leon Goslin of Washington, champion hitter of the circuit, and Earle Combs of New York were tied for sixth place.

HORNSBY WILL BE TRADED TO CHICAGO CUBS

CHICAGO, Oct. 15 (AP)—The Tribune today said that Horsey Hornsby, second baseman and manager of the Boston Braves, will be traded to the Chicago Cubs as soon as the Boston club names its price for the leading hitter of the National League. The deal, previously denied by presidents of both clubs, now is "positively under way," the paper said. The price to be paid for Hornsby may run as high as \$200,000, plus two or three players. The Tribune stated. Hornsby recently told a newspaperman, the paper continued, that he expected to be moved to Chicago.
