NEURITIS MUST BE HEALED

Talking dope to "mas" the pain caused by neuritis or rheumatism is a waste of time. Lasting relief can only be obtained by healing the inflamed nerves and tissues. Go to your druggist and ask for a package of Tymsol—that penetrating, healing absorbent which soaks in through the pores and helps to drive out the inflammation for good. AT THE THEATERS

"Pay As You Enter" Has Lots of Laughs

In "Pay As You Enter," the Warner Bros. comedy which is now playing at the Arcade Theater, William Demarest provides a possible solution for fighters who lose out in the ring. Finding himself unable to punch home, he wisely turns to punching transfers for the street car company.

Laurel, Pasadena, Clyde (Paul), Myrna Loy and William Demarest are featured in "Pay As You Enter," which Director Lloyd Bacon describes as a riotous comedy. Demarest gives up fighting to work on the car of which Clyde (Paul) is motorman, and the pair wage a wicked war to win Miss Pasadena, who runs a lunch counter near the car barn. The love bit is further complicated by the presence in the cast of Myrna Loy, as a vamp. "Pay As You Enter" is packing 'em in.

Something New Promised In Star Picture

"Something new" briefly sums up Fox Film's "None But the Brave," a colorful picture vibrant with youth, campus life and battling beauties in which some of the sequences are in their natural colors.

Charlie Morton and Sally Phipps have the leading roles in a cast which includes many well known screen players. Faron MacDonaid, remembered best as "Carson Casey" in "The Iron Horse," has another great role, "Tom Kennedy, bluff and hearty, adds much to the comedy situations with his spontaneous humor. Sharon Lynn and Alice Adams, two winsome bathing girls, also add to their laurels in "None But the Brave," which is coming to the Star Theater Wednesday.

Football Feud Crux of Arcade Film

David Butler's latest directorial effort for Fox Films is coming to the Arcade Theater Wednesday. It is titled "Win That Girl," and if preview critics are worthy of credence it should develop into a more popular vehicle than Butler's first picture, "High School Hero."

"Win That Girl," featuring Rosalind Russell and David Hollins, is based upon a football feud in the families of the Nottons and the Browns. The battle rages through three generations and the action is said to be studied with the most delicious comedy.

The original story, "Father and Son," was written by James Hopps. It was published in the Seattle "Evening Post." John Stein did the screen version for Fox.

In the well-acted cast Butler has such good funsters as Roscoe Karns, Tom Elliott, Sidney Grayce, Mack Finley, Maxine Shelly and Betty Beckler.

Janet MacLod, a discovery of Butler, is said to be a knockout as Clara Gentle. This part calls for an Amazon and it is said that

Miss MacLod fills it delightfully. She is a Pasadena society girl, possessed of innate talent, and Butler is said to rate her among the best comedienne in pictures.

Many of the football scenes, said to be thrilling in the extreme, were shot at Loyola College, near Los Angeles, and on Harvard Field.

That everyone might have enjoyed it, there were 12 ladies present. The next meeting will be an "Afternoon for Teachers" and will be held at the home of Mrs. L. Denham.

ELGIN PERSONALS

ELGIN Special—The Women's Improvement club of Elgin held its first meeting for this fall Thursday at the home of Mrs. W. E. Brownell. The program for the afternoon was in charge of Mrs. J. W. Brown and she was assisted by Mrs. J. E. Galloway. The topic being "Cues in Poor Years." With the aid of maps and charts, Mrs. Brown gave the history of the political parties and the ways the presidential nominations are made, the number of electoral votes each state has and some possibilities of the coming election. Mrs. Galloway gave a summary of the platform of the political parties.

The program was an interesting and instructive that several expressed their regret that it had not been given at a public meeting so

Don't dose a Child's Cold

CONTINUAL dosing upsets children's delicate stomachs. Vicks is applied externally and therefore cannot disturb the digestion. It acts in two ways:

(1) The body heat releases the ingredients in the form of vapors which are inhaled.

(2) At the same time Vicks "draws out" the soreness like a poultice.
