PARTNERS—your Purse and a J. C. Penney Co. Ad.

Fifty years ago Mrs. Homemaker scrubbed and spun and "sweat a fine seam" from daylight until dark. Today she has a partner to help out on the job—a J. C. Penney Store.

She has learned to read our advertisements regularly and saves many a dollar for the Family Purse while sitting quietly at home. She knows she can depend on our advertising—that it is honest, and free from exaggeration.

It will pay every Housewife to read our advertising regularly. Often she will find that some small luxury she never thought she could afford, is well within her means.
