The successful expert C. F. Redfisher for Scientific Restorative Appliances says: "The 'Rupture Shield' holds the rupture perfectly in place, no matter what position the body assumes to have heavy weight on it. They give instant relief, and the opening is a remarkably short time and strengthen the weak tissues (the real cause of rupture) so that they frequently remove their previous natural retaining power, needing no further outside support."

"and don't forget the Chesterfields"

Mild enough for anybody... and yet they Satisfy* WHEN we purchase over 100 million pounds of choice tobacco from one crop, it means that regardless of cost, we are going to be sure of the quality of the tobacco in Chesterfield cigarettes. In this way we insure Chesterfield's good taste. Millions of dollars' worth of fine tobacco—ageing, maturing and sweetening in storage—there is no better safeguard than this.
