BEST GRADES OF
EGGS ARE FIRMER

Standard Extras Up Cent
—Receipts Unusually
Light in Portland

PORTLAND, Ore., Oct. 22—(A.P.)—First grades of eggs were firmer today, standard extras up a cent, and medium and extra light up a half cent and 27c, respectively. Good shipping prices have been holding as high as 30c for New York, but for a while at a time and the advance has been expected by the trade. Pacific coast white eggs sold as high as 41c for the New York market yesterday, which was a new record for this season.

Receipts of fresh eggs were unusually light yesterday at 173 cases, which necessitated withdrawal of 39 cases from storage in order to meet demand. Receipts of butter were fairly heavy at 1,021 pounds with only 500 pounds reported withdrawn from storage. Storage holdings had about 10,000 pounds. Country dressed farm prices were steady today with supplies of all kinds of meats liberal. Heavyweight steers in all classes were in light to medium demand, but choice light steers were fairly good. Light to medium calves were in light to medium demand, but choice light calves were fairly good. Light to medium calves were in light to medium demand, but choice light calves were fairly good.

Butt and produce markets were dull in the early hours today and no developments of any consequence were noticeable. Onions were decidedly irregular, some grades selling as high as \$1.75 per bushel for No. 1, No. 2, No. 3, No. 4, No. 5, No. 6, No. 7, No. 8, No. 9, No. 10, No. 11, No. 12, No. 13, No. 14, No. 15, No.
