By Russell J. Newlands (Associated Press Sports Writer) SAN FRANCISCO, Oct. 20 (AP)—The "triple entente" of western football has come to a parting of the ways and after a peaceful and final close of ten weeks, Stanford, Southern California and California decide next Saturday which two or possibly which one will continue to dominate the affairs of the Pacific coast conference.

The season tied with 1926 for the conference championship. This year came most from behind, and of course they finish in another unexpected tie. Each had comparatively easy weekends just passed. A team of Stanford reserves pushed over Fresno State by a 47-0 score. Southern California beat over the resistance of a hapless Occidental squad 19-0. California lost to the Olympic Club 12-0, but it was an eleven composed of youngsters that took the jump "Cash-Nite" Prize was content to drop a non-conference game, the first defeat of the season rather than run the risk of losing any regular for the Oregon arrangement.

### KEN STRONG SCORES MOST OVER NATION

### Pendleton Wins From Mac-Hi By Aerial Attacks

MELTON-FRUEWATER, Oct. 20 (Special)—Pendleton high school victory from the Huskies in the last minute of play on Monday's field Saturday afternoon by virtue of a well-executed pass attack and the Huskies' inability to stop the field winners by a score of 17-7. It looked like a one-point margin of victory for the Huskies until King Buckaroo and took a pass on the goal line for the points that turned the tide.

### King Scores Both

King scored both Pendleton touchdowns, the first coming in the second period. Mac-Hi, on a well-handled lateral pass play in the third quarter, crossed the enemy line but the officials ruled that the pass went behind of the passer rather than behind him and disallowed the touchdown.

### An Attack Scores

On several occasions Mac-Hi led the Huskies for downs, but Pendleton found a vulnerable spot and finally succeeded in vanquishing the local team. Jones, Pendleton fullback, was the winner's best ground runner, while Harp and Olinier made Mac-Hi's most consistent gains. Pendleton played through without a substitution.

## Why Do You Tell Children To Save Their Money?

You know, of course, that it's important to save as you earn. You naturally want to teach your children to save—but do you tell them why they should save?

The "rainy day" of a generation ago isn't as vital a reason as it used to be. You are more practical, and you must provide practical reasons for your children to save.

Give a child a worthwhile goal toward which he can work and saving is more easily accomplished. If a boy's heart's desire is a bicycle or a girl's a cedar chest, let them save for that purpose. If they look forward to a college education, let them save with that as their goal.

Even though you are able to provide it for them, they learn to save for a purpose. They quickly acquire new reasons for saving—and the foundation of a thrifty life is laid.
