28-ROUND BOXING CARD ON NOV 20

Tuffy Wing to Fight Curly Johnson in Ten-round Headline Bout

Phil H. Williams announced today a 28-round boxing card to be held in his Jefferson avenue arena next Tuesday night, Nov. 20, with Tuffy Wing, of Portland, and Curly Johnson, of Boise, in the 10-round main event.

Two smokers have already been held and Mr. Williams states that either a smoker or regular card will be held every Tuesday night.

Kid Alabama, of La Grande, will tackle Bud Woolis, of Baker, in the six-round semi-final. Steamboat Jackson will fight four rounds with Young Firpo, of Walla Walla, in a special. Two four-round preliminaries have been arranged as follows: Kirk Worden vs. Kid Sharkey and Bobby Steele vs. Louie Jones.

Women and children will be admitted at a smaller admission charge than the men will pay and a special women's section has been provided, although they may use any other seats they desire.

O. B. Scott will be referee, J. H. Peare timekeeper and Dr. F. L. Ralston, of the boxing commission will be ringside physician.

May Leave A's

Rumor has it that the Philadelphia Athletics are going to buy the Baltimore International League franchise and that Eddie Collins, one of Connie Mack's lieutenants, will be placed in charge of the club. No definite announcement has been made, although the Baltimore franchise is said to be on the market since the death of Jack Dunn.

TROJANS FACING NORTHERN THREAT

Washington State College Eleven to Tackle Southern California Next

SAN FRANCISCO, Nov. 14 (AP)—The biggest remaining impediment to the University of Southern California's claim to Pacific coast championship honors will be settled Saturday when the Trojans meet the invading horde of clawing Cougars from Washington State college.

As yet undefeated but tied with the University of California for the championship, Southern California has its reorganized heavy opposition behind, having defeated Stanford and Oregon State and tied with California and after Saturday has only the University of Idaho to meet to complete its conference schedule. Idaho, defeated by both W. S. C. and Stanford, is not expected to trouble the Trojans.

California must yet face Stanford, traditionally its heaviest opponent.

The Cougars have dropped one game in five conference tilts to date, that to California, but the Trojan warhorse is not looking for a setup Saturday for in 1925 W. S. C. after several defeats invaded Los Angeles to take home a victory.

Possibility that Don Williams, Trojan star quarterback, may be kept from the game has lowered Southern California's hopes somewhat.

Stanford Plays Huskies

Stanford will possibly have the best team it has presented this year when it meets the University of Washington at Palo Alto Saturday with the return to active practice of three ends, Davidson, Worden and Murder. Although they started the season unimpressively the Washington Huskies last week held California to a single touchdown and a real battle is expected Saturday. The other games bring together the University of Oregon and Oregon State college in a battle at Corvallis which is of chief interest because of the intense sectional rivalry there. The University of California takes the University of Nevada in a non-conference warmer before the "big game" with Stanford next week. The University of Idaho and University of Montana tangle at Missoula while the University of California at Los Angeles meets Lavern in a non-conference struggle at Los Angeles.

BEFORE the MIKE

THURSDAY PROGRAMS

The National Broadcasting company program for Thursday night follows: [illegible]

JENSEN IS ON OREGON CROSS COUNTRY TEAM

EUGENE, Ore., Nov. 14 (AP)—A University of Oregon cross-country team composed of ten members will meet the Oregon State college team in a race over a course of two and one-quarter miles Saturday as an added feature preceding the Oregon-Oregon State football game at Corvallis. Coach Hayward has 12 men on his team and will make his final selection before the race.

The Oregon team is composed of the following runners: Clarence Hill and Ralph Hill, Klamath Falls; Ed Jensen, La Grande; Bill Winter, Portland; Leonard Steele and Mervin Simpson, Eugene; Pat Beals, St. Helens; Ernest McKittrick, Hood River; Harry Fitch, Medford; Alfred Makinen, Astoria; John Runyon, Roseburg; Kay Neil, Ashland.

Marcus Wins From Portland Welter

PORTLAND, Ore., Nov. 14 (AP)—Joe Marcus, Portland lightweight took a ten round decision over Bobby Fernandez, Los Angeles, last night. Ray McQuillan, Portland welterweight, knocked out Jack Carr, Los Angeles, in the ninth round of another ten round match. Eddie Graham, Salem featherweight, won a four round decision over Johnny Topaz, Manila.

Corvallis Rain Drives Gridmen To Big Armory

CORVALLIS, Nov. 13 (AP)—Continued rain again drove Coach Schissler and his Oregon State gridmen to shelter of the huge armory to resume the final training drive in preparation for the state championship battle Saturday. The armory is the largest dry spot on the campus if not in the county, permitting practically every form of practice on stadium field except punting. Schissler was speeding up training and mixing in a little scrimmage to get the team at its peak by the end of the week. All of the men are in good condition now except Meiten, half, who has been weakened by flu in addition to lingering trouble with a broken foot suffered in the first conference game. It was not likely he would get in the Oregon game although he may go to New York with the squad afterwards.

FROSH-ROOK GAME NEXT

EUGENE, Ore., Nov. 14 (AP)—Freshman football teams of Oregon and Oregon State college will meet here Friday in the closing game of the season for both elevens. It will be the second meeting of the teams, Oregon winning the first at Portland, 27 to 6.

DEVELOPS COLLEGE HEADS

NORTHFIELD, Minn. (AP)—When W. W. Bartlett becomes president of Rio Grande college in Ohio he will be the fourth president sent by Carleton college to other institutions in seven years.

BIG SAVINGS IN USED FURNITURE

Our Basement Floor must be cleared to provide space for Toys and Xmas goods which we are getting ready for early display. Our entire stock of Used Furniture must go---we need the space and so from prices that were already low we have made sweeping reductions.

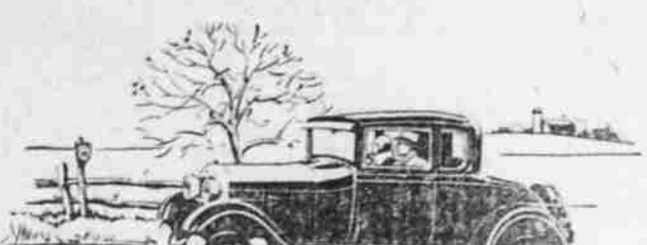
To the first half-million new Ford owners



TO THE half-million men and women who have received new Fords in the last eleven months, there is no need to dwell on the performance of the car.

You have tested its speed on the open road. In traffic you have noted its quick acceleration and the safety of its brakes. You know how it climbs the hills. On long trips and over rough stretches you have come to appreciate its easy-riding comfort. Continuous driving has proved its economy of operation and low cost of upkeep.

This is an invitation to you to take full advantage of the service facilities of the Ford dealer organization so that you may continue to enjoy many thousands of miles of carefree, economical motoring.

The point is this. You have a great car in the new Ford. It is simple in design, constructed of the best materials and machined with unusual accuracy. It is so well-made, in fact, that it requires surprisingly little attention. Yet that doesn't mean it should be neglected. Like every other fine piece of machinery, it will serve you better and longer if given proper care.

One of the best ways to do this is to take your car to the Ford dealer every 500 miles for oiling and greasing and a checking-up of the little things that have such a great bearing on long life and continuously good performance.

Such an inspection may mean a great deal to your car. To you it means thousands upon thousands of miles of motoring without a care—without ever lifting the hood.

Ford dealers everywhere have been specially trained and equipped to service the new Ford. You will find them prompt and reliable in their work, fair in their charges, and sincerely eager to help you get the greatest possible use from your car for the longest period at a minimum of trouble and expense. That is the true meaning of *Ford Service.*

"I'm solid for Chesterfield"

Mild enough for anybody . . . and yet they Satisfy*

*A PLAIN, unvarnished statement of fact: "Mild enough for anybody and yet they satisfy".

If you will light a Chesterfield and smoke it critically you will find no hint of harshness, but a certain mildness, with a rich, wholesome flavor.

Chesterfields satisfy without being harsh. They're mild without being insipid or tasteless.

Liggett & Myers Tobacco Co.

Are You Smart At Figures?

Can you figure interest and commissions and brokerage fees and discounts as quickly and as expertly as anybody?

When you make an investment or negotiate a loan, can you properly and accurately estimate all of the provisions of the agreement you sign? Can you tell absolutely to the last penny what your action is going to cost you and whether or not it's a sound and entirely fair arrangement?

If you can do these things, you don't need to worry about a smart "high-powered" salesman talking you out of your money. But the safe thing for MOST people is to ask their banker's advice. It always pays. Don't invest until you INVESTIGATE!
