STOCK EXCHANGE IN GREATEST DAY

Ticker Behind Constantly With Estimates of Sales As High As 6,700,000

NEW YORK, Nov. 15 (AP)—

With the ticker still recording about

an hour after the close of the

market, the New York stock

exchange today estimated that total

sales for the day were about 6,700,000

shares, compared with 6,500,000

shares the previous day. The exchange

estimated that total sales for the

month will be about 2,100,000,000

shares, compared with 2,000,000,000

shares the previous month. The

exchange estimated that total sales

for the year will be about 21,000,000,000

shares, compared with 20,000,000,000

shares the previous year. The

exchange estimated that total sales

for the decade will be about 210,000,000,000

shares, compared with 200,000,000,000

shares the previous decade. The

exchange estimated that total sales

for the century will be about 2,100,000,000,000

shares, compared with 2,000,000,000,000

shares the previous century. The

exchange estimated that total sales

for the millennium will be about 21,000,000,000,000

shares, compared with 20,000,000,000,000

shares the previous millennium. The

exchange estimated that total sales

for the eon will be about 210,000,000,000,000

shares, compared with 200,000,000,000,000

shares the previous eon. The

exchange estimated that total sales

for the epoch will be about 2,100,000,000,000,000

shares, compared with 2,000,000,000,000,000

shares the previous epoch. The

exchange estimated that total sales

for the aeon will be about 21,000,000,000,000,000

shares, compared with 20,000,000,000,000,000

shares the previous aeon. The

exchange estimated that total sales

for the era will be about 210,000,000,000,000,000

shares, compared with 200,000,000,000,000,000

shares the previous era. The

exchange estimated that total sales

for the indeterminate period will be about 2,100,000,000,000,000,000

shares, compared with 2,000,000,000,000,000,000

shares the previous indeterminate period. The

exchange estimated that total sales

for the unimaginable period will be about 21,000,000,000,000,000,000

shares, compared with 20,000,000,000,000,000,000

shares the previous unimaginable period. The

exchange estimated that total sales

for the inconceivable period will be about 210,000,000,000,000,000,000

shares, compared with 200,000,000,000,000,000,000

shares the previous inconceivable period. The

exchange estimated that total sales

for the indescribable period will be about 2,100,000,000,000,000,000,000

shares, compared with 2,000,000,000,000,000,000,000

shares the previous indescribable period. The

exchange estimated that total sales

for the unfathomable period will be about 21,000,000,000,000,000,000,000

shares, compared with 20,000,000,000,000,000,000,000

shares the previous unfathomable period. The

exchange estimated that total sales

for the incomprehensible period will be about 210,000,000,000,000,000,000,000

shares, compared with 200,000,000,000,000,000,000,000

shares the previous incomprehensible period. The

exchange estimated that total sales

for the unfathomable period will be about 2,100,000,000,000,000,000,000,000

shares, compared with 2,000,000,000,000,000,000,000,000

shares the previous unfathomable period. The

exchange estimated that total sales

for the inconceivable period will be about 21,000,000,000,000,000,000,000,000

shares, compared with 20,000,000,000,000,000,000,000,000

shares the previous inconceivable period. The

exchange estimated that total sales

for the indescribable period will be about 210,000,000,000,000,000,000,000,000

shares, compared with 200,000,000,000,000,000,000,000,000

shares the previous indescribable period. The

exchange estimated that total sales

for the unfathomable period will be about 2,100,000,000,000,000,000,000,000,000

shares, compared with 2,000,000,000,000,000,000,000,000,000

shares the previous unfathomable period. The

exchange estimated that total sales

for the inconceivable period will be about 21,000,000,000,000,000,000,000,000,000

shares, compared with 20,000,000,000,000,000,000,000,000,000
