CALIFORNIA AND STANFORD MEET

Big Game Saturday Will Draw Crowd of Approximately 80,000

SAN FRANCISCO, Nov. 22 (AP)—Although three Pacific coast conference games are booked for Saturday—all roads lead to Berkeley where the Golden Bears of the University of California will attempt to break a string of defeats by Stanford University with a victory to win a tie for the coast championship. A crowd of some 80,000 is expected to witness the contest which traditionally is the "big game" of the year. From southern California airplanes, automobiles and at least three special trains will bring several thousand enthusiasts while Northern California will also furnish its share.

Both teams were said to be in good condition physically today when they had gone into seclusion at country clubs to rest until Saturday. With the return of Walter Heinecke, Stanford first string center, to the lineup, Cardinal hopes were cheered. Since the retirement of the two teams from active practice interest on the campuses has centered in the usual collegiate cups and a Stanford bonfire, built at great pains over several weeks was fired a day before it was subjected to burn above the Berkeley campus was painted Cardinal red despite a guard of sophomores. Both acts were by "persons unknown," although every one on the two campuses is suspected.

The University of Southern California, tied with California for coast honors, completes its conference schedule Saturday by meeting the University of Idaho in a tilt at Los Angeles that is not expected to greatly trouble the Southern squad. At Eugene the University of Oregon meets the University of Montana in a tussle in which Oregon is favored to win. Talley graders of Oregon State College under the leadership of Coach Frank Selcher today were to leave Corvallis for a long trek across the country which ends at the Yankee stadium at New York where the Beavers meet New York University on Thanksgiving day.

Oakland Negro Defeats Allen In Chiloquin Go

KLAMATH FALLS, Ore., Nov. 22 (AP)—On the verge of a knockout as the bell ended the seventh round, Del Allen, La Grande, managed to weather the storm of the end of his ten-round fight in Chiloquin last night with Ray McQuilken negro Oakland welterweight, but lost the decision by a one-sided margin. Allen was outpointed in every round except the tenth. In the seventh he elected to slug but went down for a count of nine under an avalanche of McQuilken's lefts and rights. "Kid" Lacey of Portland got a draw with Austin Rossner, of Ashland, in a slashing six-round semi windup. Roy Ross outpointed Harold Wright in the four-round special event.

NEBRASKA TO PLAY ARMY IN EAST NOV. 24

CHICAGO, Nov. 22 (AP)—The University of Nebraska's unbeaten football team, a midwest aspirant for national honors, was en route to West Point today to test the mettle of the powerful Army eleven.

A tie by Pittsburg last Saturday is the only tarnish on Nebraska's record. Short workouts at Albion, Mich., late today and at West Point Friday were expected to polish off the Cornhusker's attack.

Coach Ernest Borg and his 24 players, accompanied by a 50 piece band, were given one of the most tumultuous sendoffs in the University's history when they embarked yesterday.

Although Borg had feared his men might go stale before Saturday's game, he said they were ready for the "big shot" against the Cadets.

CARNEGIE STRONGEST KNUTE ROCKNE BELIEVES

SOUTH BEND, Nov. 22 (AP)—Knute Rockne regards Carnegie Tech as the best team his Notre Dame eleven has met this season. "We have met three of the greatest teams in the country, Wisconsin, Georgia Tech and Carnegie Tech," Rockne said, "but the greatest of all in my opinion is Carnegie Tech because of its great power and deception."

Webfoot Eleven To Play Grizzly; Oregon Favored

EUGENE, Ore., Nov. 22 (AP)—The Webfoot football team will hold its final workout tonight in preparation for the homecoming battle with the Montana Grizzly on Hayward field Saturday. Comparative strengths of the two teams give Oregon a wide margin for victory.

McKwan, Oregon coach, has stressed offensive tactics in practice this week. The team rested Monday after its surprising victory over Oregon State last Saturday, and are now in fine shape and prepared to run up a big score against the northerners.

The Webfoot lineup will be: Stadelman, center; Hagan and Shields, guards; Christensen and Colbert, tackles; and Archer and Pope, ends. The starting backfield combination includes George Burnell, Cotter-Geisul, Charles Williams, and John Kitzmiller. Montana's lineup will be: Lewis, center; Murray and Schultz, guards; Peterson and Spencer, tackles; Hognlein and Harmon, ends. The Grizzly backfield set is: "Shipke," quarterback; Ekegren, half; Moore, half; and Davis, fullback.

Hanley Asks For Birthday Present

CHICAGO, Nov. 22 (AP)—Coach Dick Hanley of Northwestern asks a football victory for a birthday present every year. This time he wants a triumph over Dartmouth.

"Ever since I broke into the coaching game," he told his men, "my teams have never failed to present me with a victory in my birthday week game. The Indians at Haskell did it for me and you did it last year by defeating Iowa. I want you to keep up the custom and beat Dartmouth."

Coach Hanley was 23 years old Monday. His players vow he will not be disappointed.

Strangler Lewis Pins Challenger

LOS ANGELES, Cal., Nov. 22 (AP)—Ed "Strangler" Lewis successfully defended his heavyweight wrestling championship title last night by taking the only fall in a scheduled two-out-of-three-falls match with Paul Jones, Houston, Tex., challenger.

The single fall was so severe that Jones became unconscious and remained in that condition until after the close of the five-minute period allowed. Lewis had obtained the fall in 1 hour and 25 minutes with a series of flying headlocks.

Lewis weighed 230 pounds, which was 25 more than the challenger.
