Sizes 14 to 18 Inclusive...

**\$12.95**

A stunning group of holiday dance frocks just came in and this most unusual price is possible simply because we were fortunate in grabbing these party dresses at a rare bargain.

Banded georgette, satin-banded crepe with flower trim, silk and georgette combination, new tinted tulle, ruffled silk moire, stylish ruffled tulle, georgette with lace flouncing, georgette with Spanish lace-trim, satin-banded crepe with velvet trim--that's a brief description of some of the models.

Nevee, lace, metal, and self-trimming. A variety of lovely gusset shades. Just the frocks that every smartly dressed miss and stylishly garbed young woman will desire for holiday festivities. Our advice is to see these the first thing tomorrow morning. Both the frocks and the value are very unusual. A feature at \$12.95.
