CAMP GROUND
NEAR HILGARD
IS IMPROVED

By Verma Weiner

(Observer Correspondent)
HILGARD, Ore. (Special)—Mr. G. H. Gier, who bought what is known as the Mountain Spring camp ground, has moved all the buildings, arranging them in a more attractive position, adding some new buildings, and when his plans are completed, he will undoubtedly have a very attractive location.

Mr. Gier has been at home, waiting for the new buildings to be built, which will be a very attractive building when completed.

Don, June and Wilfred Scott came home from Washington Wednesday, where they have been for the last two months. Miss June will enter school here.

Good Health and a
CHIROPRACTOR

Keep Fit

The nervous system is the key to health. Impair the nerves and health breaks down. The highly delicate nerve cords are protected by a bony sheath known as the spinal column which is composed of hollow segments.

A misalignment of one of these segments is registered by lowered efficiency of the body. What we do is simply to remove the pressure and restore health. Pay us a visit now.
