## Methodist Ladies Aid Entertained At Hanford Home

The Ladies Aid of the Methodist church held an enjoyable meeting Friday afternoon at the home of L. Lee Hanford on 1204 Sixth st. Mrs. V. E. Hall read the report. At the business meeting a committee consisting of Mrs. E. Tyler, Mrs. Sherwood Williams and Mrs. S. C. Smith, was appointed to arrange for the reorganization of the church.

The social part of the afternoon was arranged by the following invited members: Mrs. Thomas Bauner, chairman; Mrs. A. W. Son, Mrs. V. E. Hall and Mrs. S. Brown.

A group of high school boys entertained with musical selections which included the following: piano, Clark Huchman; saxophone quartet, Cleland Walleinger, Clark Huchman, Henry Culp and May Zundel; banjo and mandolin duet, Russell Nelson and Clark Huchman.

A cleverly planned way of serving refreshments was a feature of the enjoyable afternoon. A huge table covered with Christmas candles and English holly. When the pudding was cut, the slices contained a box of lunch for each of the guests.

The next meeting of the Aid will be held Jan. 2.

The Ladies Aid of the Presbyterian church met yesterday afternoon in the community room of the church with Mrs. Colon B. Eberhard, president, presiding.

Reports of the business committee occupied most of the business session. Mrs. Harry Turner, who was chairman of the bazaar, and Mrs. Eberhard, were given a rising vote of thanks in appreciation of their work in making the bazaar the most successful one ever held, it was stated.

Mrs. Turner gave the report of the committee announcing that the net amount raised by the bazaar was \$112.81.

It was voted to give \$50 of the money to the church choir to assist with the funds during the year. A sum of \$300 was also donated to the same committee. The Rev. J. George Watz thanked the aid for the gift in behalf of the board of trustees and the music committee.

Mrs. Eberhard, as chairman of the Christmas seal sale committee, asked for volunteers to help with the sale at one of the booths in town.

Troubled no longer by spells of dizziness

Socheed with stomach and back all his life, this man was subject to such spells of dizziness that he could hardly stand up. "I haven't had a dizzy spell since I began taking Agmel," he writes. Letters from people benefited by Agmel received daily. One says: "A siege of influenza left me so weak I could scarcely get around. Then I started to take Agmel. I now feel so well I can't seem to realize my good fortune."

What is Agmel? A great natural health food. The sap or milk of the Mexican Mezquy plant concentrated by removing excess water. Nothing added. Extraordinarily rich in important minerals and other vital elements necessary for the proper adjustment and functioning of the body. A mild tonic. Not a medicine. Non-alcoholic. Thousands praise Agmel.

If you have any of the following symptoms, investigate Agmel today: headach, backache, glycosuria, and frequent necessity to get up at night, etc.

Ask your druggist about Agmel. Or write direct to The Agmel Corporation, 250 Park Avenue, New York, N. Y.
