## "Four Sons" At Arcade Has Brilliant Cast

Little Johnny: "Look at that rhinoceros!"

Little Willie: "That ain't no rhinoceros! That's a hippopotamus. Can't you see it ain't got no radiator for cap?"

It's not the size of the dog in the fight, it's the size of the fight in the dog that counts.

Dad is the Christmas tree cap—they squeeze money out of him for the trimmings.

"I have been down town shopping," said a La Grande wife as an excuse for being late with the dinner.

"Looking for something for nothing, I suppose," remarked her grumpy husband.

"Yes," she replied, "I was looking for a Christmas present for you."

## STREET-CAR EPISODE

When the big street car arose two men sat down.

Jack: "Miss Byle wants me to teach her to swim."

Tom: "Well, why don't you?"

Jack: "I don't know how to swim."

Tom: "She won't mind if you are the right fellow."

"I haven't seen my wife for some time."

"Cheer up, she'll make an appearance around the holidays."

## "Mating Call" Showing At The Star

"The Mating Call," which comes to the Star theater Friday and Saturday is another sensational Thomas Meighan vehicle and, like "The Racket," his previous offering, is one of the best pictures of this masterful star's brilliant career.

Action, suspense and heart-thrills are rolled off in rapid and convincing continuity in the newest Meighan picture.

Adapted from the widely-read novel by Rex Beach, "The Mating Call" is a scintillating and fast-moving romantic thriller, a brilliant film version of a superior story.

Cover direction by James Cruze and the excellent acting of the star and his fine supporting cast, combine to make "The Mating Call" one of Meighan's best and one of the best screenings of the year.

## Hoot Gibson In Picture At Colonial

A band of wild-eyed horsemen in a hair-raising race over mountain and desert trails—love, comedy and excitement—these are the outstanding features of "The Phynx Cowboy," Universal picture which opens at the Colonial theater Friday with Hoot Gibson in the starring role.

With the ever-popular Hoot riding, fighting and loving throughout the picture, it proved to be crowded with action and regular cowboy stuff. Hoot's personality and famous smile dominate the film and provide the finest entertainment he has given his admirers during his many years of hits.

The story is laid on a Dude established services to private ownership," the report said.

Declaring that the American shipping industry cannot stand still the report said that for every ocean going ship laid in this country, fifty are laid in England, ten in Germany, five in France and Italy each and four in Japan.

## Shipping Board Annual Report Is Optimistic

WASHINGTON, Dec. 5 (AP)—A shaft of optimism has been shot through the shipping board's picture of the operations of the American merchant marine during the year.

With the nation's shipping in a comparatively low state, the board manifested assurance in its annual report over the prospects for successful privately owned lines through the provisions of the Jones-White merchant marine act passed last spring.

The board predicted that considerable new construction of merchant vessels would be gotten under way during the coming year as a result of the passage of the act increasing the construction loan fund, providing liberal terms for loans and means by which ship operators have obtained valuable mail carrying contracts.

"The new measure gives every reasonable indication of accomplishing the three main purposes for which it was enacted, namely, to assist in the development of the American merchant marine generally, to aid in increasing the foreign commerce of the United States and to facilitate the transfer of the government's war-built fleet and

## A THREE DAYS' COUGH IS YOUR DANGER SIGNAL

Coughs from colds may lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs creosote is recognized by high medical authorities as one of the greatest healing agencies for coughs from colds and bronchial irritations. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of coughs from colds, bronchitis and minor forms of bronchial irritations, and is excellent for building up the system after-colds or flu. Money refunded if not relieved after taking according to directions. Ask your druggist. (adv.)
