## Pre-Christmas Week Ushered In; Students Return

Today begins the pre-Christmas week with perhaps the most important event on schedule the homecoming of La Grande students from colleges and universities. They will spend the holidays with parents and friends and partake of the

mercy-making of the gay Yuletide season. Some of the sons and daughters have already returned and others will arrive from day to day, but Friday and Saturday will see the biggest influx.

Special trains and special rates have been provided by the railroad companies to make possible the trip for most students to their homes.

Always during the two weeks Yuletide vacation, La Grande young folks are the center of social activity. An Oregon State college and a University of Oregon dance will be planned, it is said. These dances are annual events of this season.

Arrangements are also being made for a dance given by the Order of Rainbow for Girls the night of December 29. The DeMolays will be invited to participate.

Oliver P. Martin Relief Camp No. 27 celebrated the 37th birthday anniversary of the G. A. R. post in La Grande, at the Knights of Pythias hall Saturday, Dec. 15.

Party persons were present at the dinner which was served at noon. The Daughters of Civil War veterans provided a big birthday cake which had on it a candle for each charter member.

Miss Nedra Bradshaw was in charge of the program. As Miss Bradshaw read the names of the charter members, Mrs. Bradshaw, president, lighted each candle. A red carnation was pinned on each of the veterans and on the president, Mrs. Bradshaw, as part of the impressive ceremony.

A very enjoyable program was held which included the following numbers: "American" song by Mrs. Gates; talk by P. S. Ivanhoe; solo, Nell Young Thacker, accompanied by Mrs. Gates; talk, Mrs. Mary Cox, of Perry; song, "Columbia, the

Gem of the Ocean." A successful candy sale was also part of the afternoon's program. At 7 o'clock the corps convened for ritualistic work. The charter was draped in memory of Comrade George Allen.

A chorus girl introduced her young man to another chorus girl, with the result that he transferred his affections. The aggrieved girl gave her rival a piece of her mind in a letter which read:

"You heartless wretch! You know very well we had been going together for six months. Wait till I lay my hands on you, you good-for-nothing bleached blonde. I'll scratch out your eyes, pull out your hair, your teeth, and throw acid on you."  
Yours truly,

"About mind, is she?"  
"I should say so. She's the kind of woman who would go to a bridge party without her rings."

## SUGAR IMPROVES FRUIT FLAVORS

Makes these healthful foods delightful to the taste

The human body needs fruits, to be well-fed and healthy, and each person should eat at least one raw and one cooked fruit each day. Here are the health-giving elements that fruits bring to us: needed rough age, fruit vitamins, mineral salts and beneficial fruit acids.

And, thanks to sugar, fruits can also be beneficial in another way. The harsh or sour acids, by being sweetened to taste, can be turned into delightful flavors that add enjoyment to eating. As a famous food scientist states it: "The fruit acids are softened by sugar. The fruit flavors are developed by sugar. Sugar promotes and facilitates the ingestion of fruits."

There are few people in the world who do not relish the delicious flavors of orange and grapefruit juice, sweetened to taste. One of the most welcome beverages to any palate is hot lemonade.

And remember that stewed fresh apples or pears or stewed dried peaches, prunes or apricots are excellent for breakfast. For dinner, link of apple sauce with pork, and cranberry sauce with any kind of roast fowl or meat. Baked apples, pears and fruit pies are delicious, as well as healthful, for dessert.

Eating should be enjoyable as well as healthful. The use of sugar, in raw fruits and in cooking, is the friend of food enjoyment. The sugar institute.
