Chicago school teachers missed a pay day the other day—there wasn't enough money in the treasury. Chicago school teachers certainly are getting plenty of chances to be patriotic.

An Illinois woman asked a divorce because she couldn't awaken her husband, the combined noise of twelve alarm clocks failing to budge him. At one time or other that man must have been an apartment house janitor.

NOTE INCREASES IN EGG PRICES

Upward Surge in Chicago Market Effects Portland Quotations

PORTLAND, Ore., Dec. 21 (AP)—The upward price surge in the Chicago egg market yesterday had its effect here today with slight increases in the prevailing low cost of eggs. Fresh standard extra and standard firsts rose one cent to 39 and 37 cents respectively, with medium firsts at 33 cents.

There was a half cent reduction in lower grades of butter. Butter prime firsts were 47 and firsts 46 cents today.

No change in turkey or poultry prices.

The supply of fresh vegetables has been reduced considerably by the prolonged cold weather. Bunched turnips have advanced to 50 to 60 cents a dozen bunches. The local market may see a sharp rise in vegetable prices about the first of the year, as the local supply is becoming limited. Local cabbage was quoted today at about 4 cents a pound.

California fruits and vegetables remain fairly steady. Imperial valley lettuce was being offered as low as $4.25 a crate. Repacked tomatoes top price was quoted at $3. Citrus fruits were steady. There was a peculiar circumstance in the banana market. Large quantities have been shipped in and the price has risen to 8 cents a pound for good quality. These factors have left much stock on hand going to poorer quality, which was being offered as low as 6 cents.

Wheat Unchanged To Slightly Higher

CHICAGO, Dec. 21 (AP)—Opening at a shade decline to ½c advance, corn later showed all around gains. Wheat started a shade lower to ¾c up and held near to the initial range. Provisions were easy.

Corn closed strong, ¾ to 1¾c net higher, wheat unchanged to ¾@¾c up, oats ¼ to ¾c advance and provisions unchanged to 5c down.

WOOL REPORT

BOSTON, Dec. 21 (AP)—The Commercial Bulletin tomorrow will say:

"The wool market has been quieter but a few hours have had a fairly good business and at prices fully equal to any that have yet been paid; in fact, the market is very firm, especially for half-bloods and below.

"The foreign markets, also, are very buoyant. Australia has been rather against the buyer and South American markets have become better stabilized and somewhat firmer. The secondary markets of Europe are fully firm.

"Contraction has commenced in Western Colorado at 35 to 37 and possibly 38 cents for medium clips.

"The goods markets are healthy, although less active for the moment.

"Mohair is rather slow, with some sales of turkey fair, especially where price can be made attractive."

The Commercial Bulletin will publish the following quotations:

Stocks Strong As Exchange Closes

NEW YORK, Dec. 21 (AP)—The stock market gave an impressive demonstration of strength today in the face of a further stiffening in call money rates. Prices of several of the high priced specialties were marked up 8 to 16¾ points while a long line of standard industrials and rails moved up 1 to nearly 6 points. Trading, however, showed a marked contraction in volume.

Investment buying of high grade shares accelerated the advance in speculative issues in the final hour. Montgomery Ward jumped 15 points to 146, a new peak. American Machine and Foundry, Packard, Goodyear, Dupond, American Locomotive, Pittsburgh and West Virginia, Sears Roebuck, Invision Chemical and Murray Corporation moved up 4 to 7 points. The closing was strong. Sales approximated 3,300,000 shares.
