## Annual Holiday O. S. C. Dance Held In Sacajawea Inn

More than 250 persons attended the Sacajawea Inn dance held last night in the ballroom of the Sacajawea Inn. College students, alumni, La Grande High school students and parents attended the important annual college holiday function.

The ballroom was attractive with decorations of orange and black, the state college colors. Orange and black streamers hung from the ceiling and on the orchestra platform were O. S. C. letters on each side with the letters L. H. S. for La Grande High school in the center in blue and white colors. "Sonny Boy," sung by Tom Bruce was an enjoyable feature of the evening.

Plunch was served by Genevieve Speach and Orvaline McWilliams. Music was furnished by the Star Novelty orchestra.

Mr. and Mrs. H. A. Zurbick entertained members of the club last night with a charming bridge dinner at their home at 504 Main street.

Holly wreaths were attractively arranged on the small tables and in the center of the wreaths were silver candle sticks, holding red candles.

Following the 7:15 o'clock dinner, six tables of bridges were played. Mrs. Chas. Holmberg received first prize for high score for women and Mrs. C. J. Kinzel received second. Dr. F. L. Halston received first for men and G. L. Larson was awarded second.

Miss Ann Arnold entertained last night at the home of Mr. and Mrs. E. A. Kelling with a delightful dinner for twelve.

Five tables were at play during the evening. Miss Mildred Hoyt received first prize for high score and Miss Mae Shanks received second. Yellow pom poms were used for decorations.

The guests were: Mabel Herzinger, Ruth Herzinger, Blanche Herzinger, Mae Kearns, Mabel Doty, Mina Cooper, Arla Verity, Florence Williams, Miriam Hill, Myrtle Hoyt, Mildred Hoyt, Blanche Shanks, Cora Harding Scott, Nell Mahary, Ethel Snyder, Eleanor Cleaver, Genevieve Hanna, Dorothy Kirby and Marjorie Kirby.

Respectively, to the state camp meeting to be held at North Bend, in March.

Due to the illness of several members the program and luncheon originally planned could not be held last night.

A special meeting of the Royal Neighbors is to be held at the home of the grade, Mrs. Weska Monday at 7:30 o'clock.

Honoring college students who are home for the Christmas vacation the Epworth League of the Methodist Episcopal church entertained with a party last night at the church.

A trip from coast to coast was the event of the evening. The tour was conducted by Bernita Pierson and Bethmyl Miller was bankerman. Paul Hill, accompanied by Phyllis Peterson, played a saxophone solo.

The rooms in the church were decorated, each representing some phase of scenic interest in the United States.

Bernita Pierson was in charge of the entertainment, Vernon Patton, of decorations and Phyllis Peterson headed the refreshments committee.

## MENUS

**By Sister Mary**  
BREAKFAST — Orange juice, oatmeal, cream, crisp broiled bacon, apple and corn meal pone, milk, coffee.

LUNCHEON — Cream of pea soup, croissants, egg salad sandwich, pineapple brand cream, coffee.

DINNER — Pan broiled lamb chops, twice baked potatoes, creamed carrots, orange and stuffed celery salad, bran rolls, milk, coffee.

This time of year we often find oranges distinctly tart. When this is so a little sugar and water do much to improve the juice for breakfast. One-half teaspoon of sugar and from one to two tablespoons water can be added to the juice of one orange.

**Apple and Corn Meal Pone.**  
Two cups corn meal, 2 cups boiling water, 2 eggs, 2 tablespoons baking powder, 2 tablespoons butter, 1/2 teaspoon salt, 2 cups chopped apples, 2 tablespoons molasses.

The corn meal into mixing bowl and add boiling water, stirring to prevent lumping. Beat until smooth and cover with a cloth. When cold add eggs well beaten, butter melted, and beat hard for several minutes. Add remaining ingredients and mix thoroughly. Pour into a buttered dripping pan and bake in a moderate oven for thirty minutes. Cut in squares and serve warm with butter.

## LOVE LAUGHS AT—QUOTA LAW

The fact that there is a quota law caused some concern to Edwin Mathys and Helen Reynolds—but it was temporary. The pair met when Mathys, a sailor on a west coast submarine, was in Australia with the fleet. Immigration laws prevented Miss Reynolds' coming to this country. So she crossed to British Columbia, Mathys met her there and, after their marriage, she came in under a non-quota visa.

UNION, Ore., (Special) — This end of the valley has had a continuation strong south wind for almost two weeks, with the exception of Christmas day which was practically quiet. The wind brought snow flurries and a gradual rise of temperature.

Christmas day was very quiet at Union. Most of the stores were closed all day and nearly everybody had their day and nearly everybody gathered here or visiting elsewhere.

Roy Conklin, superintendent of the Union schools, left for Portland Wednesday afternoon to attend the Oregon State Teachers' association. Mr. Conklin goes to the association meeting as a delegate from this county.

A. M. Compton arrived in Union Sunday afternoon for a visit with his sister, Mrs. Mary Compton, whom he had not seen in 15 years. Mr. Compton came by way of the national park in Northern Montana and says that this is his first trip over the big mountains, although his home is at Big Sandy Mount. He reports seeing very little snow as he came over the divide. He will remain for a time visiting with his relatives here until at least.

The Gold Edition and Holbeck have arranged for a joint installation of officers. The date for the 10 to 12, NBC.

About three o'clock Christmas morning a fire alarm was thrown in and on investigation it was found that the electric switch had been turned by some practical joker. The city authorities are offering a reward for the apprehension of the guilty parties. It is understood that the control of the fire alarm will be transferred to the telephone office and all alarms given from there. The switch has heretofore been in the stairway of the city hall so it could be readily reached in case of fire.

Mrs. Sarah Shappatt, was in Union for the Christmas holidays. Miss Shappatt is making her home at Pendleton at the present time.
