Books That Talk

The visagraph is the name of a new device to aid the blind in reading. Books printed in "Braille," or raised type, are still necessary, but the reader, instead of reading the letter by passing his fingers over it, receives vibrations from a radio set. A photo-electric cell picks up a light image from the raised letter and transmits it through the tubes to a radio loud speaker.—Youth's Companion.

According to a prominent Parisian lawyer, bad temper is the most frequent cause of divorce in France.

A WISE CHRISTMAS GIFT for the boy of high school age is a bill folder and card case to give him that grown-up air. This one of brown calf with tan leather laced edge and silver monogram is a good example.

AT THE THEATERS

Bebe Daniels At Star On Sunday

"Take Me Home," the latest Bebe Daniels picture which opens at the Star theatre Sunday, will turn out to be a delightful surprise. A surprise in the sense that Bebe Daniels has cast off the slapstick type of role for a better dramatic one, and her characterization in her new role as a stage actress was exceptionally well done.

Those of her fans, however, who like Bebe giving one of her characteristic performances in a flighty comedy vein will not be disappointed with her latest offering. There is comedy in the picture, and it is handled by Miss Daniels in her own excellent way. There are many light moments when the audience will be tilted with laughter proving that comedy has not been clipped out of the Bebe Daniels picture altogether.

"Take Me Home" is a comedy drama of back stage life. It is a story of a chorus girl and a love affair which brought her success.

There is a smashing climax to the story. The spectacular fight between the chorus girl portrayed by Miss Daniels and the leading lady of the show done by Lilyan Tashman is one of the classics of the screen.

There is a strong supporting cast. Neil Hamilton, as in "Hot News" is Bebe's leading man. Lilyan Tashman, Doris Dill and Joe E. Brown completes the cast of featured players.

Mary Astor In Fox Drama Of Paris

The story of a gay old blade who goes to Paris, lives the life of a boulevardier for eight years and comes to that epoch known as the afternoon of life—life's tea time—only to discover that, instead of tea, he has a shameless craving for the wine of youth, is the story of "Dry Martini," Fox Film directed by Harry D'Arrast with Albert Gran, brilliant character actor, in the role of the gay philanderer, and Mary Astor in the part of his daughter, who pays an unexpected visit to him from America.

In this, his first production for Fox, D'Arrast has a superlative cast of players, with Sally Eilers, Jocelyn Lee, Matt Moore, Hugh Trevor, Albert Conti and Tom Ricketts prominent in the featured roles.

The picture is based on the novel of John Thomas.

At the recent Fox convention held in New York, Winfield Sheehan, vice-president of Fox Films, pledged the delegates that "Dry Martini" is one of the most entertaining and best directed pictures ever to issue from the Fox studios. It is coming to the Arcade theatre Sunday for one day only.

"Beautiful But Dumb" Offered At Colonial

Suddenly becoming aware, after months of silent devotion to handsome Jim Conroy, her employer, that he never thinks of her except as an efficient part of the mechanism of his office, Janet is ready to give up in despair when Mac, the blond art editor, speaks to her harshly for her own good.

That is the interesting situation at the beginning of the production "Beautiful But Dumb", starring Patsy Ruth Miller, which will be the feature Sunday at the Colonial Theatre.

Mac's advice takes effect, and Janet sets out to get her man by the fair means of a complete beauty parlor treatment, a new wardrobe, and a new technique. Gone are the tortoise-rimmed glasses, gone are the sternly tailored suit and the neat but not alluring blouse. From the moment Jim first sets eyes on Janet in a provocative evening gown he has forgotten all about his efficient secretary.

Unfortunately Janet's naivete, combined with her innocent response to Jim's love making, doesn't result in the proposal of marriage which she expected after seeing his changed attitude towards her. In a scene in which their motives get apparently hopelessly tangled Janet leaves him only to decide, the next morning, after telling him over the 'phone she will never work for him again, that she can't stop loving him.

From then on the story discloses several unexpected situations and a totally surprising climax.

Elmer Clifton directed "Beautiful But Dumb," and the cast includes, besides the star, Charles Ryer, Gretel Yolfs, George E. Stone, Bill Irving, Shirley Palmer and Harvey Clark.

If celery salt is rubbed over the hands before washing after peeling onions the odor will disappear.
