NOTICE OF HEARING FINAL ACCOUNT. Notice is hereby given that the Administrators of the Estate of Franklin Zurbick, deceased, have filed their final account herein and the County Court has fixed Thursday, the 31st day of January, 1929, at the hour of 10:00 o'clock A. M. of said date as the time for the hearing of objections to such final account and the settlement thereof.

Stockholders Annual Meeting

Notice is hereby given that the Annual Meeting of the Stockholders of La Grande National Bank will be held at their banking house in La Grande, Oregon, on Tuesday, January 29th, 1929, at ten o'clock A. M. At this meeting a Board of Directors will be elected to serve for the year 1929 and such other business will be transacted as may be properly offered.

H. E. COOLIDGE, Cashier. 12-28-29P

Harm Done by the Clever

It is not the stupid people who suffer the worst from the development of mankind, but the many clever, or all-wise-ones, who, without really being hypocrites or liars, possess a certain marvelous faculty voluntarily to do away with their intellects according as their momentary advantage or comfort requires. Just as one turns off the light in a room one wishes to darken.—Arthur Schnitzler, in Plain Talk Magazine.

Merely Imaginary "Port"

Meredith Nicholson, the author, says that he coined the title "The Port of Missing Men" for his book published in 1907. Some time later a real estate promoter in Connecticut started a tea house in the tract he was dividing into parcels to sell and called the place, the Port of Missing Men. This place has nothing to do with the location of the story, in which the imaginary port was in the Virginia hills.

Good Manners

Good breeding is the art of showing men by external signs, the internal regard we have for them. It arises from good sense, improved by conversing with good company.—Cato.

DON'T STAY FAT IN THESE DAYS

You see countless people who have gained new beauty, new health and vim, by fighting excess fat. Some have done this by abnormal exercise and diet, some in a modern, scientific way. Why not follow their example?

There is a way based on scientific research. It combats a cause of excess fat which starvation cannot fight. That method is embodied in Marmola prescription tablets, now used for 20 years. Millions of boxes of them. The results you see wherever you look should induce you to accept them.

Each box of Marmola contains the formula, also the reasons for results. So there is no secret, no reason to fear harm. You will know that all the good results come in a natural way. Go learn them now, by asking your druggist for a \$1 box of Marmola.

MOM'N' POP

OUR RESOLUTION TO STOP ARGUING WAS A GREAT IDEA POP—YOU'RE TEN TIMES SWEETER THIS WAY

THAT GOES DOUBLE—THE OLD HOME DOESN'T SEEM THE SAME WITHOUT YOU STARTING AN ARGUMENT EVERY TWO MINUTES

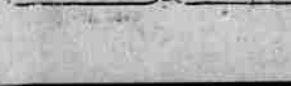

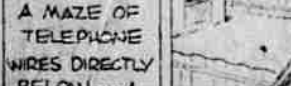

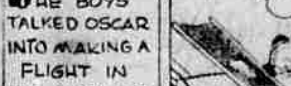

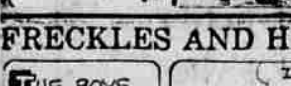

WHY POP I'VE NEVER STARTED AN ARGUMENT YET WITHOUT A GOOD REASON, AND IF WE HADN'T MADE THAT NEW YEAR'S RESOLUTION I'D HAVE REASON TO SAY SOMETHING RIGHT NOW ABOUT THE WAY YOU'VE BEEN PUFFING THAT COG FOR AN HOUR AND NOT ONCE TAKEN IT OUT OF YOUR MOUTH

AND JUST LOOK AT THE LASHES ALL OVER YOU THE NEW RIG MOTHER GAVE US FOR CHRISTMAS—YOU COULD HAVE A LITTLE MORE CONSIDERATION—I HAVE TO CLEAN UP THAT MESS

I WAS INTERESTED IN WHAT I WAS READING AND ANY NEW RIG NEEDS TO BE BEDDED DOWN WITH COG ASHES TO KEEP THE MOTHE OUT

AND NOT ONLY THAT BUT WHAT DO YOU DO? BREAK OUR NEW YEAR'S RESOLUTION BY STARTING THIS ARGUMENT...

ME? I BROKE IT? HA! MOM YOU'RE FUNNY—YOU STARTED THE CHIN MUSIC ABOUT THE ASHES? JUST ANSWER ME THAT ONE OF US, AND I DIDN'T DO IT!

Absent-Minded Man—Dear me, Willie, was I going up or down the street when I met you?

Willie—Why, up the street, of course.

Absent-Minded Man—Ah, then I've had my lunch.

THEN THE FUN STARTED

"So this baby is a girl?" asked the minister who had come to dinner. "The proud man assented, "And this other one—is it of the contrary sex?"

His wife's eye was on him, but with no thought of the wrath to come the man replied, "Yes, she's a girl, too."

"How are these hipsticks?" asked the young lady.

"Best by test," answered the handsome drug clerk.

"How do you arrange your teeth?"

"So the distinguished looking man in the tall hat is your leading client?" Has he received many degrees from the different colleges?"

"Has he? Why, he has received so many degrees we call him the human thesaurus."

She: "Do you know you'd make a wonderful fireman?"

He: "How's that?"

She: "You never take your eyes off the hose."

Medical Man—Your husband must have absolute quiet. Here is a sleeping draught.

Patience's Wife—And when do I give it to him?

"You don't give it to him—you take it yourself."

Servant—"The doctor's here, sir."

Absent-Minded Man—"I can't see him. Tell him I'm sick."

ON SHOOTING TRIP

MELTON MOWBRAY, England, Jan. 2 (AP)—The Prince of Wales and the Duke of Gloucester arrived this morning from London. They are hunting with the Belvoir hounds from Waltham.

Here's Another "Big Game" Picture

HERE'S ANOTHER "Big Game" picture as deer slayers are established by the Seattle sportsmen when, on a recent visit to British Columbia wilds, they killed 10 deer in one day. Here's the one-day kill, with two of the hunters.

AT THE THEATERS

"Me, Gangster" To Be Featured At The Star

Those who have an idea that a picture with an underworld theme cannot be made without dragging in machine guns, maxims, silencers, murder and the other ingredients identified with that brand of picture in the past will be enlightened if they go to the Star theater and see "Me, Gangster." Fox Film directed by Raoul Walsh.

Based on Charles Francis Coe's story, which ran serially in the Saturday Evening Post, "Me, Gangster" tells of a boy who, through lack of parental influence, gets mixed up with criminal companions and leads a life of crime, always just a step ahead of the law. Finally he learns his lesson before it is quite too late.

There are many thrills, many exciting scenes, many chases, the stealing of a factory payroll and a pursuit by police, and when the picture is finished one has to think hard to recall any part in which a gun is used.

Don Terry, youthful screen discovery, though it is his first screen appearance, plays the lead and acquits himself with credit. June Collyer, the supporting cast with more than a score of Hollywood's best actors, team up. The film will be at the Star until Thursday.

"His Last Haul" Is On Screen Here Today

Today local theater patrons will have their chance to see "His Last Haul." Marshall Nolan's thrilling underworld drama, at the Arcade theater.

The sympathetic manner in which Nolan has handled the story of a master crook in love with a Salvation Army girl has won loud applause from his audience here, one of the outstanding of the year. He is capably supported by Soona Owen, who as the girl carries a strange double role—that of the Salvation Army girl and a woman tool of a powerful blackmailer.

All houses, Charles Mason, Harry Seelye and William Selmore are in the supporting cast.

If You Believe This—

Traveler—Yes, on our homeward journey through Africa we heartily came to grief—our flies were so worn out that they could not be replaced any more, but we killed four elephants and used their trunks as flies—Die Muskete, Vienna.

Basis of Quarrels

The desire to be superior, if followed for petty or personal ends is at the bottom of dissensions and quarrels and is the cause of untold failure and unhappiness, thinks a writer on women in the Woman's Home Companion.
