SOCIETY NEWS

Mildred Lovett, J. C. Stapelton Wed in Portland

A wedding of much interest to La Grande people took place New Year's day in Portland when Mildred Lovett, formerly of this city, was married to James Conrad Stapelton. The ceremony was performed by the Rev. John Beard, of the Mount Taber Presbyterian church. The happy couple are at home to their many friends at 1124 Belmont street.

The bride wore a beautiful blue transparent velvet and georgette crepe dress. The rooms where the ceremony took place were attractively decorated, following a color scheme of blue and gold with callas and erysanthemums augmenting the effect.

Only members of the family and a few friends were in attendance. The bride's sister, Mrs. Leslie Clemo, was matron of honor and Mr. Clemo was best man. Jean French, younger sister of the bride played the wedding march, Lehner's "Bridal Chorus".

Mrs. Stapelton received her elementary and high school education in La Grande and graduated at the Oregon Normal school at Monthau, afterwards teaching for two and a half years in Greenwood school here. She was also music grade schools for a year and is at present auditorium director in the Montavilla school in Portland.

Mr. Stapelton was born and reared in the Willamette valley, the son of Mr. and Mrs. Dave Stapelton, of Independence. He graduated at the North Pacific Dental and Pharmacy college and is now assistant manager of the Liggitt Drug Co., at 42nd and Sandy boulevards.

The La Grande Neighborhood club is planning an interesting meeting for next Tuesday when Mrs. Ora Baker, of Portland, will read a paper giving her personal impressions of China, Japan and Singapore. Mrs. Baker recently returned from a round-the-world tour which included a month in London, a motor trip through Europe and a stay in the Orient. The paper, which Mrs. Baker will read this evening before several Portland clubs. Mrs. Baker is a house guest of Mrs. A. L. Richardson, of La Grande.

Tuesday will be guest day at the Neighborhood club and each of the members is asked to bring a friend. Several musical numbers will be part of the program. Refreshments will be served.

Sixty-five persons attended the dinner and dance held by the Good Times Dancing club at the La Grande hotel New Year's Eve. The dinner was served in the gold room and dancing was in the ball room. Christmas decorations were used. A delightful program included a vocal number of Mrs. T. J. Maxwell, piano solos by Mrs. Stuart and saxophone numbers by Mr. Brown and Mr. Pearl. Charles Graham sang two Scotch songs.

The Intermediate Luther League of the Lutheran church enjoyed a

coasting party Tuesday afternoon on Fox hill north of La Grande. Twelve young people participated in the sport. Following the coasting the young people went to the home of Miss Helen Hughes where a hot supper was served. Games were played after supper led by Miss Hughes and Miss Katie Keller and Christmas carols were sung. The Rev. Leif H. Aasen was also present at the Hughes home.

Announcements

The Women's Benefit association will meet tomorrow evening at 7:30 o'clock in the L. O. O. F. hall. Installation of officers will be held. All members and officers of the order and the new officers of the Westway club are urged to be present. Mrs. Adelaide Packard, district deputy of Eastern Oregon, will be installing officer.

MENUS

By Sister Mary
BREAKFAST—Baked winter pears, cereal, cream, raised buckwheat pancakes, country sausage, milk, coffee.

LUNCHEON—Stuffed onions, whole wheat bread, apple, cherry nut salad, carrot pudding, milk, tea.

DINNER—Baked fish with egg sauce, shoestring potatoes, glazed parsnips, macedoine vegetable salad, canned peaches in orange jelly, coconut cake, milk, coffee.

Too few housewives serve boiled fish and it's one of the easiest and most delicious ways of serving many varieties of fish. Add lemon juice or vinegar, and one tablespoon each of minced carrot, onion and celery to the water in which the fish is to be cooked. Add the vegetables to the water while it's cold and bring slowly to the boiling point to bring out their flavors. Add fish and lemon juice when water is boiling rapidly but reduce heat and just simmer until fish is tender. Drain thoroughly before serving.

Carrot Pudding
One cup grated raw carrot, 1 cup grated raw potato, 1 cup light

brown sugar, 1 cup flour, 1 teaspoon soda, 1/2 teaspoon ground cloves, 1 teaspoon ground cinnamon, 1/2 teaspoon salt, 4 tablespoons melted shortening, 2 tablespoons milk, 1 cup seeded and chopped raisins, 1/2 cup shredded citrus.

Sprinkle 2 tablespoons flour over raisins, mix grated carrot, potato and sugar. Mix and sift flour, salt, soda and spices. Melt shortening in the mold in which pudding is to be steamed. This greases the mold as well as prepares the shortening for the pudding. Combine all ingredients, mixing thoroughly. Turn into greased mold and steam three and one-half hours. Serve warm with hard or lemon sauce. This pudding can be reheated and served the second day.

Two Charred Bodies Found in Fire Ruin

DALLAS, Tex., Jan. 2 (AP)—Two charred bodies were found by searchers in the ruins of a rooming house destroyed by fire. Although immediate identification was impossible, it was believed that the victims were James H. Martin, 24, of Irasaca, Tex., and Samuel R. Scott, 23, San Antonio, students at Baylor Medical college here.

We can remember when a man got credit simply for working hard and earning a living for his family, but now wife calls that getting nothing out of life.

AN EXPLANATION

In keeping with the long established policy of the Eastern Oregon Light & Power Company to constantly improve its service and expand its facilities to the greatest possible benefit of its customers in the La Grande territory, the new sub-station north of the railroad tracks and opposite the La Grande Iron works has been completed and the work of bringing this new station into the system is now in progress.

When all connections are made and the territory has the full benefit of the new high line recently built from Baker and the Idaho Power Company's plants, La Grande and its vicinity will be better served with electricity than ever before. Service interruptions will be less frequent; there will be more abundant power, heat and light current; the most modern and efficient equipment will insure greatly increased service satisfaction.

While this change to the new sub-station is being effected, however, the service will be slightly impaired for brief intervals throughout La Grande. Interruptions occasioned by the new connections will be timed so as to be as convenient as possible for our customers. Every effort is being made to make the change rapidly and with minimum interruption for everyone.

We will greatly appreciate the sympathetic indulgence of our customers while this is being accomplished. We know that the new station and improved facilities will more than compensate for slight inconveniences suffered.
