ENNA JETTICK Health Shoe

COMBINATION LAST

\$5 **\$6**

Reduces Fatigue

Narrow and Extra Narrow - Wide and Extra Wide

A boon to the women of America many of whom have been obliged to either pay high prices or take poorly fitted shoes. You need no longer be told that you have an "expensive" foot. You'll stride with pride in ENNA JETTICKS

Dependable Values. **Hill's** Dependable Quality.

FUTILE ATTEMPT MADE BY FLIERS

Eight Americans, With Dr. William Mayo, Too Late to Save Rickard

CAMAGUEY, Cuba, Jan. 7 (AP)—Eight Americans flying against time made a futile attempt to bring medical aid to Tex Rickard. After landing on a precariously small field at Manzanillo and getting Dr. William Mayo, famous surgeon, for whom they had flown 1200 miles, the party arrived at Camaguey yesterday only to learn that Rickard had died.

Dr. Mayo died last night with Captain J. M. Patterson, Floyd Gilmore and Basil Wood, and expressed regret that the attempt to obtain his aid had been made too late. The members of the party were unanimous in their praise for the doctor who, when told that Rickard was dying, said: "Where's the plane?"

Although the plane was in a cane field, Dr. Mayo climbed into it but, stuck, forced the fliers down at Camaguey.

HE RAN THE WRONG WAY

Here is Roy Riegels of the University of California team and captain-elect for 1929, who made a sensational 18-ward run in the New Year's day game with Georgia Tech at Pasadena—an excellent run except that he got confused and ran in the wrong direction. Riegels grounded the ball one foot from his goal line. On the next play Lora's punt from behind his goal line was blocked and it was a safety and two points for Georgia Tech which later equaled the Golden Tornado to raise out an 8 to 7 victory.

L. H. S. Girls To Turn Attention To Basketball

With the close of the volleyball season Friday, plans are now under way for the opening of the basketball period in La Grande High school. Tuesday night the girls interested in basketball will meet in the gymnasium to discuss plans for the season.

The final volleyball game was played Friday night when the all-star team A defeated the B all-star team with scores of 20 to 8 and 20 to 14. The junior volleyball team took the final tournament honors last week over the other classes. The sophomores were second, seniors third and freshmen fourth.

The girls chosen for the A all-star team were as follows: Doris Cade, freshman, captain; Charles Faus and Jane Stank, seniors; Margaret Miller and Naomi Todd, well juniors; Jacqueline O'Brien and Helen Newlin, Mary Ann Geithuber, sophomore; Marie Floberg, freshman.

Members of the B all-star team were: Mildred Stanley, senior; Guilda Ashby, Sara Siler, Irma Buckett, juniors; Ethel Harnden, Caroline Grey, captain, and Iris Huzar, sophomore; Barbara Guye, Beverly Guye, freshmen.

Honorable mention included: Sally Mearns, freshman; Ludora Laughlin, Ruth Durland and Klise Geithuber.

Wallowa Quint Defeats Baker And Union Fives

Wallowa High school's basketball team, according to reports received here, made it two straight in Union and Baker county over the weekend, defeating the Baker team 28 to 14 at Baker Friday night and winning from Union 25 to 17 Saturday night. It is said that the first half of the Union-Wallowa game ended 12 to 9 in favor of the 125 champions. At Baker the first half found Wallowa leading 19 to 9.

Golden Tornado Is Nearing Home

ATLANTA, Ga., Jan. 7 (AP)—When the gridiron warriors of Georgia Tech, who defeated California in Pasadena New Year's day, pull into the terminal station here tonight Atlanta will be ready for them.

Bands galore, an arch of triumph, streets bedecked in gold and white and a colorful parade all will play their part in welcoming home the victorious team. Two hundred policemen and firemen have been detailed to keep back the expected throng of well-wishers.

Women Select Officials For The Coming Year

By Mrs. Charles Spencer (Special Correspondent)

GRANDS HALL, (Special)—The countrywomen's club met Friday afternoon at the home of Mrs. John Hamman in La Grande. Election of officers took place during the business meeting and all the officers of the organization were re-elected. They are: Mrs. H. A. Masterton, president; Mrs. William Taylor, vice president; Mrs. J. B. Lindsay, secretary and Mrs. Arthur Golden, treasurer. Plans were made to give an entertainment the first Friday night in February to raise funds to add to the club's treasury. One new member was added to the membership roll. At the close of the meeting Mrs. J. B. Hamman served a lovely lunch. There were about 25 present at the meeting. Mrs. J. A. Holman will be the hostess at the next meeting which will be held Jan. 11.

attending grade school in La Grande.

Mrs. C. H. Hoffman, who has been ill for the last few weeks, is reported to be able to sit up now, while visiting at the home of her daughter, Mrs. Lynn Hill, of Elgin, she became ill. She was brought to La Grande for medical treatment and at the end of ten days, her condition was sufficiently improved so that she was able to be taken to her daughter's home at Elgin again, where she is recuperating.

Miss Dorothy Smith, who has been at the home of her mother, Mrs. I. D. Smith for a few weeks, having been called home before the holidays by the illness and death of her father, I. D. Smith, left Tuesday for Monmouth where she will resume her work at the state normal school.

Mr. and Mrs. W. R. Gekeler and two children, Helen and Maurice, left Wednesday afternoon for Portland. They were accompanied by Mr. Gekeler's mother, Mrs. Edith Gekeler, Mr. Gekeler, who is a director of the Eastern Oregon Grange Live Insurance organization, will attend a meeting of the insurance board Thursday and Friday. Mr. Gekeler, senior, will look after property interests while there. The party will return home Sunday.

EXPRESSIVE SORROW

MACON, Ga., Jan. 7 (AP)—W. L. (Young) Stribling and "Pa" Stribling, his manager-father, today expressed deep regret at the passing of Tex Rickard.

"The fight with Jack Sharkey at Miami Beach, Fla., on February 27, will be held as planned, in all probability," Pa Stribling said, "but without Tex Rickard there, it won't be the same."

RICKARD FEARED KNIFE

NEW YORK, Jan. 7 (AP)—If Tex Rickard had not feared a surgeon's knife more than he did a peddler's, he might be alive today.

He had suffered attacks of apoplexy from time to time for the last 12 years, according to an operation. He avoided it by repeated application of ice-packs during each attack. Finally surgery was necessary.

"They'll never get me with their knives," he used to say. "They can shoot me but not cut me."

Golfing Cream In Competition At Chula Vista

By Victor G. Sailer (Associated Press Sports Writer)

CHULA VISTA, Cal., Jan. 7 (AP)—Two hundred of the country's professional and amateur golfers, turned due north today after circling over the La Jolla and Chula Vista courses in this section to the greatest test of all—the \$10,000 Los Angeles open.

Being played over the Riviera country club course, the event, climax of a series of several tournaments on the coast, will draw a field second to none. Those who participated in the Portland, Ore., Honolulu, Sacramento, Catalina Island, Long Beach, La Jolla and San Diego opens will be there, and many others.

The San Diego open closed in a heavy downpour, accompanied by chilling gusts of wind that "blow" the chances of many of the "big guns" but Leo Diegel never faltered. In the face of these obstacles, coming home with as beautiful a card as anyone could hope for to take first place money of \$750. The recently signed August Calzate club pro played with brilliance and consistency throughout, turning in cards of 71-69-71-71—282.

One stroke behind Diegel was tall young Horton Smith of Joplin, Mo., who earned a place on the United States Ryder cup team with his marvellous showing in the tournament. Walter Hagen, who is captain of that squad declared that the Missourian, hardly 21 years of age positively would be a member of the team. Smith's four trips over the rolling Chula Vista by out were 71-66-72-61—282, giving him \$450 as second prize money.

Portland Team Breaks Even In Bowling Matches

The Portland Union Pacific bowling team broke even in yesterday's matches in Warr's, according to reports. The Portland five-man team won by 81 pins. In the doubles La Grande was victorious and in the singles, Portland and La Grande broke even.

The matches yesterday were part of an elimination series now being conducted in the northwest.

PLANE DIVES TO FIELD

CORVALLIS, Ore., Jan. 7 (AP)—Rummaging into a dense fog an airplane carrying Capt. Joe Chamberlain, E. P. Walters, of Corvallis, and Floyd Harris, of Philomath, nose-dived into a plowed field yesterday in attempting a landing, and all occupants were injured. Chamberlain and Walters suffered broken legs and arms and Harris cuts and bruises. The plane was totally wrecked.

Figs and dates given to children in place of candy will help keep their systems in good physical condition.

Women Select Officials For The Coming Year

In the absence of Frank Wright, master, W. R. Gekeler presided over the business session when Blue Mountain grange held its regular meeting Wednesday at the hall. This new member was voted into the order and two new applications for membership were received. During the program Mrs. H. A. Masterton made the New Year's wish for the grange. Mrs. Sara Anson, Mrs. Charles Anson, Mr. and Mrs. J. B. Lindsay and the grange chorus furnished the music. Ed Eckley told an interesting pioneer story. Mrs. C. H. Hoffman has been patron of husbandry for 20 years, narrated a number of happy incidents which had occurred during her affiliation with the order. Mrs. Nizer, who has also been an active member of the organization for many years, enumerated many reminiscences illustrating the fact that the grange is not immune to the ups and downs that most orders undergo. Mrs. Ed Eckley made a statement of what the grange had done for her and Jack Bair gave a clever recitation. In the orchestration contest, after the men had illustrated music by "sight" and the women had illustrated the music by "sound," the judges decided that there was much more music in "sound" than in just motions. The new officers for the year will take their chairs next Tuesday, Jan. 8, when Blue Mountain grange will hold a joint installation with Land Canyon grange at Peckler hall.

PHYLIS HAVER

Mr. and Mrs. Elliot Austin, Mr. and Mrs. Henry Council and George Vane, and Land Canyon, attended the watch party at Blue Mountain grange hall Monday night.

Mr. and Mrs. Sam Williamson and daughter, Sara, and Mr. and Mrs. Dee Davis and two daughters, Margaret and Susan, were New Year's dinner guests of Mr. and Mrs. Ed Hughes, of Frontville.

Twenty-seven members of three different organizations for young people of the Christian church in La Grande, held a very enjoyable watch party Monday night at the home of Mrs. I. D. Smith. The organizations represented were the Ever-Ready Sunday school class, Christian Endeavor and the young women's missionary society. The regular missionary meeting was held early in the evening, with Frances DeLong as leader. The rest of the evening was devoted to playing games. Near the midnight hour, Dorothy Smith assisted by Mildred Spencer and Frances DeLong served lovely refreshments.

Mr. and Mrs. Vernon Sherwood drove out from their home in La Grande Monday and spent the day with the parrots. Mr. and Mrs. W. O. Sherwood and with his brother, Cecil Sherwood, who spent the holidays with his parents. The day was especially enjoyable because of the fact that the family had not been together for several months.

Mr. and Mrs. Ira Kennedy, Miss Velma Kennedy and Mr. and Mrs. H. A. Masterton and Lester Masterton were dinner guests of Mr. and Mrs. Charles Taal, of La Grande, New Year's day.

CHINA FORBIDS 'BEN HUI'

CANTON, China, Jan. 7 (AP)—After a few days showing in crowded theaters, further performances of the American motion picture "Ben Hui" were forbidden today by the Canton government. The production was stopped on the ground that it was "Christian propaganda" designed to deceive the people to aid in the present age of revolutionary enlightenment.

Even a thin layer of hard carbon

- as little as 1/32 of an inch - will cause you trouble now

PRE-IGNITION knocking, power loss. Valves held open by carbon chips. Engine wear from gritty bits that grind through it. These are the troubles caused by carbon.

And the coming of high-compression motors has made the condition worse! In new-day engines a dime laid flat on the piston bumps the top of the cylinder—no room for carbon!

Carbon comes from burned oil; and, oddly enough, even the most expensive oils often form the most carbon. Hard, flint-like carbon, too—the kind that does damage.

Less carbon—soft carbon. A finer lubricant. When you buy oil now, it is not enough merely to choose a good lubricant. You should know what sort of a carbon-former it is.

Shell Motor Oil forms only 1/3 to 1/5 as much carbon as the costliest oils; and the little it does form is soft—a kind that blows away through the exhaust!

It is made by a new high-vacuum process—no old-style stills that tend to "scorch" and weaken motor oil. The new Shell process protects it, keeps all its sturdy body and high heat-resistance. Produces a finer, smoother lubricant, remarkably free

Carbon deposited in huge quantities by ordinary oil is hard; it will scratch bearing metal under a finger's pressure!

The little carbon that Shell Motor Oil forms is soft, soot-like. Most of it blows away through the exhaust.

from the carbon-forming fault so common in ordinary oils.

Change to Shell Motor Oil the very next time you drain the crankcase. Buy it at yellow and red Shell signs when you need an extra quart.

Keep Money in the Family

A merry company saw the old year out and the new year in Monday night at Blue Mountain grange hall when the men of the grange entertained the women of the order and a few invited guests. Games were enjoyed until about 10 o'clock when an oyster supper was served to 40 persons. Following the supper a "Kangaroo" court was convened. The judicial tribunal consisted of a prosecuting attorney, judge and sheriff, Charles Nizer, Elliot Austin and W. O. Sherwood having the honor of filling these offices. The methods employed in arresting and crime and the sentences handed when culprits were tried and sentenced during the proceedings of the court session, made the work of Sherlock Holmes and the wisdom of Solomon seem inferior. J. B. Lindsay was chairman of the supper committee and was assisted by Bert Groat, and H. A. Masterton. W. R. Gekeler had charge of the program.

Cecil Sherwood left Tuesday night for Corvallis after spending the holidays with his parents. Mr. and Mrs. W. O. Sherwood, Mr. Sherwood is taking his second year in the school of vocational education at the Oregon State college.

James C. Partner, of New Hampshire, national grange lecturer will be in Union County, Jan. 20. He will speak in La Grande. In the afternoon and will be the principal speaker at the Wallowa-Union county grange conference, which probably will be held at Elgin, this place not having been decided definitely.

Mr. and Mrs. Bert Groat had for their guests New Year's day, Mr. Groat's mother, Mrs. R. E. Groat, of Clover Creek, and Mr. and Mrs. Charles Baxter and family, of La Grande. Mrs. Baxter is Mr. Groat's sister.

Miss Beadie McAlister is visiting a few days with Mr. and Mrs. Roy Spencer and family.

After spending the vacation with their parents, Mr. and Mrs. Andrew Mullenburg, Ina and Lillian Mullenburg have returned to their rooms in La Grande. Miss Ina is attending the La Grande business college and Miss Lillian is a student at the La Grande High school. Their sister Dorothy and brother Glen are with them. They are

Keep Money in the Family

One of the biggest breads on the money a fighter makes these days is the split his manager or managers get. That, however, isn't one of Ace Huskins' troubles, for this challenger to Mickey Walker's title has his own brothers as his managers, and all the dough he earns from fighting stays right in the Huskins possession. Ace is shown here in the center with Clyde, left, and Art, right, his two managers and brothers.

Shell Motor Oil

Some of today's high-compression motors have as little as one thirty-second of an inch "clearance" between cylinder head and pistons—no space for hard carbon. Shell Motor Oil, forming less carbon, soft carbon, is almost an essential to proper operation.

"Wet" gasolines that contain heavy fractions of petroleum, can't vaporize completely nor burn cleanly. Protect your good oil from gasolene dilution by using Shell 460, the "dry" gas
