AT THE THEATERS

"Haunted House" At Star Is A Thriller

What is heralded as the topnotch thriller of the screen comes to the Star theater today in "The Haunted House," First National mystery picture.

While it is essentially a comedy, the mystery element is not burlesqued and the menace is quite real. Also the strange characters are intriguing — a mad doctor, a somnambulistic girl, a mysterious nurse, a wierd caretaker and so on.

Specially devised settings were prepared for this picture which Benjamin Christensen directed. Secret panels, mysterious trap doors, queer rooms—all sorts of paraphernalia for the developments of a plot that is concerned with the search for hidden treasure in a spooky old dwelling on a high cliff overlooking the sea.

Chester Conklin, Thelma Todd, Larry Kent, Flora Finch and others are in the cast.

John Gilbert Comes Thursday In New Picture

A Don Juan of tomorrow among the dazzling ladies of the Vienna of today!

Such is John Gilbert in his new starring picture, "The Masks of the Devil," which opens Thursday at the Arcade theater.

This ultra-modern Metro-Goldwyn-Mayer picture will undoubtedly go down in screen history as Gilbert's most daringly romantic screen story. It is a tale of a man without a soul; a super lover who stole hearts and stooped to knavery without a thought for ideals or religion.

Naturally his career comes to tragedy. As the young Viennese nobleman, he wins the love of the Countess Zellner the wife of one of Vienna's social leaders. After winning her love he casts her aside in favor of the innocent young fiancee of his best friend, Manfred.

It is only when the Countess Zellner attempts suicide and blurts out that Gilbert is responsible for her downfall that tragedy arrives. Her husband attempts to kill the young aristocrat and is himself killed in the struggle. With his dying breath he calls Gilbert the devil himself.

The shock of the tragedy and his subsequent failure to win the love of the fresh young Virginia, awakens Gilbert to the realization of his terrible sin. In an attempt to make atonement he visits the crazed widow and she sends a bullet into his body.

Believing himself to be dying, Gilbert visits Virginia and Manfred and bids them farewell. As he leaves he collapses and Virginia realizes that she loves him. The subsequent climax makes "The Masks of the Devil" perhaps the most unique story ever brought to the screen.

Flu Epidemic Is Creating Record Demand For Vicks

432,000 Jars Every 24 Hours Needed to Keep the Nation Supplied With Vapor-Salve

Flu Milder But Widespread

That the public has not forgotten the lesson of 1918 is indicated by its prompt response to the warning of health authorities to combat the flu by keeping free from colds.

The demand for Vicks VapoRub, the vaporizing salve which proved so valuable during the 1918 epidemic, has already shattered by a wide margin all previous records.

Although the capacity of the Vicks laboratories has been tripled since 1918, they are once more operating night shifts to meet the national emergency.

The present output of more than 432,000 jars a day almost staggers the imagination. It means that every 60 seconds, day and night, over 3600 jars of Vicks are going out to check the nation's colds and help ward off the flu.

Mild though it is in comparison with 1918, this year's epidemic has already affected more than a million persons, and it is apparently still increasing. —Adv.
