**Terris' Career
Nears End With
Kayo Last Night**

NEW YORK, Jan. 28 (AP)—To all intents and purposes, "Terry" has been written to Ed Terris' career.

"Shotto Boom," idol of New York, was knocked out by Babe Herman at the 11th inning of the game last night. And with the heavy right hand punch that felled him went all Terry's hopes of a successful comeback campaign. He may fight again but not among the first-rank lightweights of the present day.

For five rounds Terry was able to avoid the wild, awkward right hand swing Herman threw his way. But after 22 seconds of fighting in the sixth round Herman connected flush with Terry's jaw and the New Yorker went down and out. It was his third knockout defeat in less than a year.

**Return Match Is
Expected Shortly**

CHICAGO, Jan. 28 (AP)—A return match between Jackie Fields and young Jack Thompson, brilliant Pacific coast welterweights, seemed assured today.

Fields not only revealed himself as a welterweight championship contender by easily defeating Jack McCarthy of Chicago in a smashing 10 round match last night, but he attracted a \$23,000 gate, which gave promoters a sense of security in staging a return match with Thompson.

Thompson knocked out Joe Danziger, the titleholder, in a non-championship match here last fall, but lost the decision to Fields later on the west coast.

**Soldier Field To

MADISON, Wis., Jan. 28 (AP)—The Notre Dame-Wisconsin football game, scheduled for next October 26, probably will be played on Soldier Field, Chicago.

It was first planned to play the game at South Bend, but the new Notre Dame stadium will not be completed by that time and arrangements are being made to transfer it to the Chicago stadium.

CHICAGO, Jan. 28 (AP)—"Strangler" Lewis, who recently was dethroned as heavyweight wrestling champion, meets an old rival, Marin Pleschka, Chicago, in a finish match at the Hippodrome.

**STRIBLING CLAN
EN ROUTE TODAY**

Pa, Ma, Son and Kiddies
Start Trek to Miami
Beach for Fight

MAISON, Ga., Jan. 28 (AP)—Carrying with him the possidita and possidita of his home town, "Young" Stribling today began the first leg of his journey to Miami Beach, Fla., where he meets Jack Sharkey in a boxing match February 27.

Stribling and his wife and two kiddies will be joined in Jacksonville, Fla., by the rest of the family—"Ma," "Pa" and "Baby," his younger brother, who will fight there tonight on the same card in which Stribling will appear in a four-round exhibition.

The party will move on to Miami Beach the following day to open training quarters for the Sharkey battle. The trip is being made by automobile.

The Mason fighter was the central figure in a celebration last night in which he appeared as a basketball player, and fight referee.

**Death Ends Turf
Career of 90 Years**

HAVANA, Jan. 28 (AP)—A turf career extending over a period of 90 years has ended here with the death of Yoo (Pop) Cheek, 184-year-old trainer. Cheek died of a heart ailment.

Shortly after he had won his horse, Haska, an afternoon in the second race at Oriental Park, he complained of a violent pain in his chest. Physicians said the trainer was suffering from heart trouble, but he refused to go to a hospital, preferring to go back to the stable with his horse. A few hours afterwards he dropped dead, Haska on which he had placed all his money in the afternoon.

**Two Holding Out
On Giant Squad**

NEW YORK, Jan. 28 (AP)—All but eight of the names on the New York Giants' roster for the coming season also appear on contracts but among the missing eight are two that may cause a bit of worry. They are Freddy Lindstrom, star third baseman who was runner up to Jim Bottomley for the National League's most valuable player award last fall, and Bill Terry, one of the outstanding first basemen of the circuit. The Giants' management, while insisting on the point that the hold-out season will be far away, does not conceal the fact that it is more eager to see their signatures on contracts than they are to put them there.

**Michigan Chairman
Bars Dave Barry**

CHICAGO, Jan. 28 (AP)—Dave Barry, Chicago referee, today wondered whether Michigan planned to bar him from its boxing rings because he tolled the famous "long count" in the Dempsey-Tunney championship match here in 1927.

Chairman James Brown of the Michigan state athletic commission last night announced Barry would not be allowed to officiate in Michigan rings but refused to give the reason. "I can hardly believe the so-called 'long count' is the cause," said Barry, "but if it was because of a state law requiring one year's residence in Michigan, I believe Brown would have said so. Too, I recall that Jack Dempsey was allowed to referee there last June and he is not or was not a resident."

INDIAN MUTE WINS FAME AS ARTIST

Weakness in infancy left John Louis Clark deaf and dumb—called "the silent one," by his Blackfoot tribesmen. But in his studio in Oberlin national park, the silent Indian's wood carvings of mountain goats, cougar, bear and other wild life subjects are displayed in their artistry in the museum. His work has won high honors in western exhibits, and has been purchased for permanent display in the museum of many cities.

**SCIENTIST WILL

JUNGLES ALONE**

Llewellyn Williams

CHICAGO (AP)—A 2,800 mile trip alone into South American jungles is in store for Llewellyn Williams, wood technologist of the Field museum.

Throughout the navigable length of the Amazon river Williams will collect rare specimens of botanical wood and plants for the Capt. Marshall Field expedition. The expedition sailed Jan. 28 from Savannah, Ga.

After headquarters are established at Belen, Para, Brazil, other botanists will search the Brazilian coast and tributaries of the Amazon basin for additional to the museum's herbarium and foreign wood collection. Williams then will leave the party to journey westward as far as Iquitos in Eastern Peru.

**Famous British
Golfer Passes On**

LONDON, Jan. 28 (AP)—John Linn Low, famous British golfer and for many years recognized as an authority on the game, died today at Woking, aged 59.

In 1902 he visited the United States as captain of the Oxford and Cambridge team which toured here.

A bill filed in the New Hampshire legislature would prohibit the sale of rouge, lip sticks and face powder. Drug stores wouldn't suffer much, however, they could go right on selling sandwiches and automobile tires just the same.

**Union Highway
Kept Open Most
Of Snowy Spell**

By W. V. Connor
(Observer Correspondent)

UNION, Ore., (Special)—This end of the valley has been experiencing its share of the inconvenience caused by the heavy snowfall last week. Dewey Johnson, local highway maintenance man, has been busy practically day and night with the snowplow trying to keep the highway open to traffic and has been assisted part of the time by plows from other points. The highway has been open nearly all the time but side roads in Union are so drifted that deliveries from the stores has been limited and travel on other roads leading into Union is difficult. Snow and snowdrifts have made their appearance and are being used by the young people, principally for pleasure.

Friday night when the boys from Union High school were being defeated on the Wallawa gym floor by the Cougar quintet to the tune of 29 to 22 in their return game with the champions of last year's tournament, the 17-18 girls were winning another game here at home, defeating the North Powder sextet by a wide margin. Saturday night there was scheduled a double header with Baker high the boys and girls both arranging to be here for return games with the Union teams, but owing to the stormy condition only the former showed up. The game was very close, the score at the half being only one point difference, Baker 5, Union 3, but the final score

GIVES UP HIS GOLF
NEW YORK, Jan. 28 (AP)—Jimmy Law, professional at the Cherry Valley club, Garden City, N. Y., has had to give up golf for the winter as the result of playing rugby football. He had a water post at the Shore Hills club in Bermuda and played on the St. George's rugby team until he suffered a broken rib in a game recently and had to drop both games. He has returned to flannel to recuperate but does not expect to be able to play golf again for at least a month. He formerly represented Ireland in international rugby matches against Scotland and England.

**"When a sweet tempts me,
I light a Lucky Strike."**

Rosalie Adele Nelson,
The Original Lucky Poster Girl

"I'm a 'Lucky Girl' because I've found a new way to keep my figure trim. Whenever the desire for a sweet tempts me, I light up a Lucky Strike. It's remarkable how nicely the toasted flavor of Luckies satisfies me. Toasting has taken out all impurities—all that is left is the thrill of a Lucky Girl." ROSALIE ADELE NELSON

THE modern common sense way—reach for a Lucky instead of a fattening sweet. Thousands are doing it—men keep healthy and fit, women retain a trim figure.

Lucky Strike, the finest tobaccos, skillfully blended, then toasted to develop a flavor which is a delightful alternative for that craving for fattening sweets.

Toasting frees Lucky Strike from impurities. 20,679 physicians recognize this when they say Luckies are less irritating than other cigarettes. That's why folks say: "It's good to smoke Luckies."

A reasonable proportion of sugar in the diet is recommended, but the authorities are overwhelming that too many fattening sweets are harmful. So, for moderation's sake we say:—

"REACH FOR A LUCKY
INSTEAD OF A SWEET."

"It's toasted"
No Throat Irritation—No Cough.
