## Mrs. Hazel Tryon Is Honor Guest At Surprise Party

Mrs. Hazel Tryon, who is soon to leave La Grande permanently, was the honored guest at a party given last evening at the home of Mrs. Gene Walker. The affair was quite a surprise on Mrs. Tryon, having been arranged completely without her knowledge by those who were associated with her last year as officers in Hope chapter No. 13, Order of the Eastern Star, and they made up the guest list. Cards and other interesting diversions made a most enjoyable evening for the 15 ladies who were present, the deli-

ous refreshments served in two courses being not the least enjoyable feature. Mrs. Tryon was given a lovely gift from her former associates in office.

## A-HORSE, AFLOAT!

Well, the horse's name is "Splash." And the girl seen going for a morning canter down this very wet bridal path is Martha Sorelius, Olympic swimming champion. The scene is a swimming pool at Palm Beach where the young nger set aquatic whoopee under the sub-tropical sun. "Splash" is fast on "they, hay" and is stabled on a peg in a wardrobe closet—after the air is let out of him.

**fresh tea**

The world's only truly fresh tea + + not merely because it is sealed in vacuum + but because it is fresh to begin with. You will never know how much that means, till you try it. No other tea is so fragrant! Nor can it be + for it's a closely guarded Schilling secret.

 

When tea is first toasted in its Oriental gardens—it has a fresh fragrant flavor that is lost long before you can enjoy it—lost crossing the Pacific.

But Schilling tea is toasted by a secret process that retains that fresh garden fragrance.

This toasting also draws certain hidden aromatic flavors to the surface of each tea leaf—fragrant flavors that you have never tasted before.

While still warm it is sealed in vacuum. A vacuum tin is just as important for tea as it is for coffee. Tea loses flavor when packed in any other way.

If you would like to know the real delight of truly garden-fresh tea—try a tin of Schilling's. Compare it cup for cup with any other tea. Your money back if you don't like Schilling's best.
