**Hot cereal-
Cold cereal-
both from the
same package**

HOT cereal for the youngsters?—Easy!
—just pour hot milk over Shredded
Wheat, add a little cream and sweeten.
Grown-ups may like their Shredded Wheat
cold—but they need the same food elements
for energy, strength and health, and the bran
of the whole wheat to keep them fit.
What a convenience to serve the whole
family, quickly, with this one perfect food.
No wonder so many women always keep two
packages on hand.

"Do you always get coffee like this?"

"Always."
"Lucky boy."
**"I am. But we
didn't get good cof-
fee until we found
M-J-B."**

But whether you make it strong or weak,
M-J-B has a flavor that only the strong
blend can give.
Now it comes to you in an improved fric-
tion top key-can available only to M-J-B
users, packed by our own vacuum process.
