PRESBYTERIAN DEPARTMENT TO AID DRYS

PHILADELPHIA, Feb. 28 (AP)—The executive committee of the Presbyterian board of christian education today announced that the board's department of moral welfare "would be authorized forthwith to join more than 30 other temperance organizations of the United States for a unified plan for the observance of the 18th amendment in accordance with the wishes of the new administration of President Hoover."

"This action," the announcement said, "is a result of a visit made to Washington by Dr. J. W. Clancy of Philadelphia, general director of the Presbyterian department of moral welfare. The Presbyterian department will consolidate its prohibitions forces with other denominational and national groups, including the Anti-Saloon league, for a more efficient campaign concerning the 18th amendment."

"It is planned to withdraw from certain types of political activity and to unite for increased emphasis on education and cultivation of public opinion for law observance."
