Do You "Charge It" or "Save It"?

The Modern Woman knows that Good Housekeeping isn't a matter of drudgery, but of wise spending and intelligent saving.

She doesn't say "Charge It" because she knows that it always costs less when you pay cash, and she prefers to put that saving into her own bank account.

Carrying her package home is another sensible economy she is glad to make.

Are you a "Charge Account" or a "Bank Account Housekeeper"? We cordially invite both types to visit our store and judge for themselves just how much they can save by paying cash.
