# ELIMINATION

## SALE! \$30,000 In High Grade Merchandise To Be Sold At SACRIFICE PRICES IN 10 BIG SELLING DAYS!

**This Store Will Not Be a  
Sale Store**

In buying the Van Fleet stock we were compelled to take several hundred dollars more merchandise than anticipated, and it is with regret that we are forced to open with a sale but no doubt it will be an opportunity for you to buy standard men's wear at manufacturer's cost and less.

It is our policy to offer you merchandise of standard brands at a fair margin of profit. Your money's worth or your money back.

JOHN A. TROTTER

**Mr. Van Fleet Thanks You**

In selling my stock to Trotter's I take this means of thanking you for your liberal support during the past ten years and hope you will continue to make this store the popular men's store it has always been, assuring you of the same fair treatment and honest values you have received here during my business career.

CLINT VAN FLEET

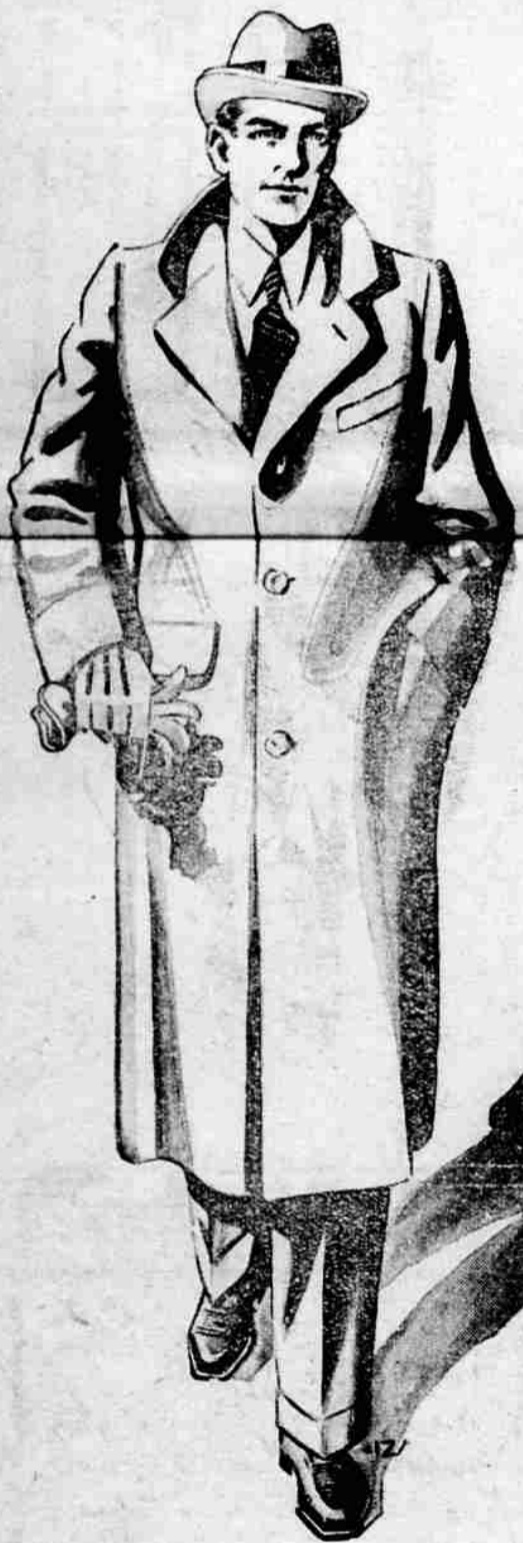

We Will Sell  
\$1.00 NECKTIES  
For  
15c EACH

For the first 15 minutes of our sale. Come early!

Trotter buys Clint's Clothery stock of high grade suits, overcoats, shoes and men's wear at 60 cents on the dollar. The complete Van Fleet stock, together with surplus stocks from other stores, will be sold during the next ten days at manufacturer's cost and in many instances for less. We are determined to eliminate this store of all discontinued lines and this will positively be our last store-wide sale.

Buy now for months to come -- for next winter. We must make room for the new spring merchandise now in transit from eastern markets.
