AT THE THEATERS

Clara Bow Has Peppy Part In "Three Week Ends"

"When you want to put 'it' over, put it over big!"

That's what Clara Bow sets on in her new Elinor Glyn picture, "Three Week Ends," which opened its 3 day run at the Star theatre last night. Packed houses greeted the star which means the same thing as saying she thrilled packed houses. She put it over big.

"Pep, push and personality! That's Clara Bow. As the darling cabaret dancer who pushes a "big-time" mood out of the way to get at the "small fry," she does amazing things in a bathing suit. The action is more than entertaining, it's thrilling.

"It" startled the world. The word itself became a household descriptive term for personality because it meant Clara Bow. "Three Week Ends" gives the star a new grip on the public heart which she already holds firmly. She's the "up" girl of screendom.

Two handsome men have important supporting roles in this Elinor Glyn story. They are Neil Hamilton and Harrison Ford, both well known for many stellar performances. Julia Swayne Gordon and Guy Oliver are in the cast in catchy character parts and Elythe Chapman, beloved screen mother, gives an excellent performance as Clara's "ma."

TAKEN from the Saturday night, brown hand bag, containing papers valuable only to owner. By returning or information leading to recovery, will give reward. 3-11-29

MONEY TO LOAN—We have money to loan on desirable city property at the low rate of interest of 6%. We write all kinds of insurance, including life. Chas. H. Reynolds. 2-4-29

GOITRE NOT A DISEASE

MILWAUKEE DOCTOR MAKES REMARKABLE DISCOVERY

MILWAUKEE, Wis.—It has been brought to light by scientific research that goitre is not a disease and is not to be treated as such. Dr. A. A. Rock, Dept. B-23, Box 737, Milwaukee, Wis., a prominent goitre specialist for over 24 years, has perfected a different method of treatment for his patients that has proved remarkably successful. This same method is now being used for a home treatment of goitre cases all over the country with astonishing results. The doctor states that goitre is a condition which grows worse with neglect and retards immediate attention; no matter how small the growth may appear. He strongly opposes needless operations. Dr. Rock is the author of a book that tells in a simple way about treating goitre at home. He has published this book at his own expense and will send a copy free to anyone interested. Will some La Granders ever learn that the center of the sidewalk is no place for prolonged visiting parties?

Chumley—I tell my wife everything, sir—everything.

Back—Ever tell her a lie?

Chumley—Didn't I say I tell her everything.

A noted physician says that the best reducing system is described in four words: "no more, thank you."

A West Virginia paper says, "When the baby is through drinking milk it should be disconnected and put in boiling water."

"Bill has the disposition of a mule."

"Then you'd better not talk about him behind his back."

Grocer: "Did you marry that girl of yours, or do you still cook your own breakfast and mend your own clothes?"

Former Bachelor: "Yes."

Salesman: "I was shipwrecked once and lived for a week on a can of sardines."

Train Acquaintance: "Huh! You didn't have much room to move about, did you?"

SO THE DRIVER TOLD HIM

A Scotchman driving a small cart drawn by a donkey came to a toll bridge. The toll collector came out of his house and said: "Here, you've got to pay before you can cross this bridge."

"What! Pay toll?"

"Yes, five cents to cross the bridge."

After an argument he paid the five cents and went on. In the afternoon he came back again, but this time he had the donkey sitting on the seat and he was dragging the cart himself. The toll man came out and said:

"Here, you've got to pay five cents."

The Scotchman shook his head, and pointing to the donkey, said: "Don't talk to me, ask the driver."
