NEW YORK, March 18 (AP)—The historic Minors' old bowery theater, 165 the bowery, where a revival of Augustin Daly's melodrama "Under the Gas Light," was to open again, was ravaged by fire early today.

The building was opened in 1875 by the late Henry Clay Miner.

Johnny—Yes, mother, but my arm's longer.

AT THE THEATERS

"Runaway Girls" Coming to Star On Tuesday

The beautiful gardens which form part of the Columbia Pictures studio in Hollywood are shown in "Runaway Girls," which will be the attraction at the Star theater on Tuesday. The Columbia studio is the only one on the Pacific coast that has a picturesque landscape garden in the center of its many stages.

Harry Cohn, vice president in charge of production, foresees the necessity for such a green spot in future productions at the time the studio was constructed. At great expense the plot is kept verdant the entire year and used as the romantic background for many films.

In "Runaway Girls" Shirley Mason has one of the most pleasing roles in her long and varied career. She is ably supported by Arthur Franklin, Hedda Hopper, Alice Lake, George Irving and Edward Earle, Mark Sandrich directed.

Atlantic City Beauties In Arcade Picture

Atlantic City with its beaches, hotels and bathing beauties was the location spot where most of Universal's "The Cohens and Kellys in Atlantic City," the riotous comedy now playing at the Arcade theater was filmed.

It is the policy of Carl Laemmle, president of Universal Pictures corporation, to shoot pictures in the actual place where the story occurs. He has done this wherever practicable. A company of sixty people headed by Director William Craft were sent to Atlantic City to film this comedy, which continues the adventures of the two families started two years ago in "The Cohens and Kellys."

This time the partners are in

the hull goods business and the story has numerous bathing girl sequences. A new kind of bathing beauty contest, called a "Summer Girl Contest," is one of the big features.

In the cast are George Sidney, in the starring role, Vera Gordon, Mack Swain, Kate Price, Cornelia Keefe, Nora Lane, Virginia Sale and Tom Kennedy. Sidney, Miss Gordon, and Miss Price have played in previous pictures relating the exploits of the Cohens and Kellys.

"The Whip" Now Showing At the Star

With every player chosen with exceptional care, and at least five names of almost stellar prominence, the cast of First National's "The Whip," now showing at the Star theater, is one of the most important of the season.

Dorothy Mackall, a featured First National player, who has done a score of successful pictures during the past two years, plays the leading role.

Opposite her is Ralph Forbes, whose film career has been comparatively brief, but has included outstanding roles in such productions as "Heavenly Creatures" and "The Trail of '92."

Lowell Sherman, suave and slender "heavy" commands a position of importance on the stage as well as the screen.

Anna Q. Nilsson, whose career in pictures ever a period of several years has been uniformly brilliant, has a role to which her striking beauty and acting ability is admirably suited.

Albert Gran, screen comedian of note; Arthur Clayton, best-known as a stage actor, who also does considerable screen work; Leon Payne, Paul Vincent and others are to be seen in supporting roles.

"The Whip" is a screen version of the famous old Drury Lane melodrama. It was directed by Charles Brabin and produced for

COLDS MAY DEVELOP INTO PNEUMONIA

Coughs from colds may lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a medical discovery with two-fold action: it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs creosote is recognized by high medical authorities as one of the greatest healing agencies for coughs from colds and bronchial irritations. Creomulsion contains, in addition to creosote, other healing

elements which soothe and heal the inflamed membranes and stop the irritation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of coughs from colds, bronchitis and minor forms of bronchial irritations, and is excellent for building up the system after colds or flu. Money refunded if not relieved after taking according to directions. Ask your druggist. (adv.)

Plug of Tobacco Leads to Arrest

YORK, Neb., March 18 (AP)—A plug of tobacco on which a bite had left a perfect imprint of teeth was among the few clues officers had to more than 40 involved burglaries—inspired until the sheriff at Aurora at a card game with prisoners invited them to "have a chew." Len Hudson was the only one to accept. His teeth prints corresponded to those on the plug. Officers said he confessed.
