WASHINGTON, May 22 (AP)—
 Maj. Gen. Charles M. Saltsman,
 U. S. A., retired, former chief of
 the army signal corps, is to be ap-
 pointed to the radio commission as
 its member from the fourth zone
 to succeed Sam Fiskard, of Kan-
 sas.

Final announcement of Gen-
 eral Saltsman's selection is withheld
 until the president can find a
 demagogue for appointment as mem-
 ber from the first zone in succe-
 ssion to O. H. Caldwell of New
 York.

This means that Mr. Hoover will
 not return to the senate the names
 of the two men nominated by
 President Coolidge, Arthur Harch-
 iver and C. M. Jannay, whose nom-
 inations failed of confirmation at
 the last session of congress.

Cuba has authorized duty free
 importation of purchased cattle for
 livestock improvement.
