INVESTORS BECOME WARY

NEW YORK (AP)—Wall Street brokerage houses look for a new and more cautious attitude on the part of American investors toward securities of British corporations.

The action of the General Electric company of England in making its new issue of stock exclusive to British investors is causing security buyers on this side of the ocean to scrutinize carefully a foreign company's charter before writing a check.

PREDICTS FAST START ON COAST

Prexy Williams Believes Baseball Race in West Will Be Best in West

By Harry A. Williams President Pacific Coast Baseball League

For NEA Service and The Observer There have been varying estimates of the strength of the Pacific Coast league, which starts its championship season Tuesday...

Just how uniform throughout the league in this strength remains to be determined after all eight clubs are engaged in games of the regular season...

There is another point on which I am satisfied, and that is that the fans will see a faster pace from the start than ever before.

Amity, Portland and Seattle, heretofore handicapped by lack of spring exhibition games, have had stiffer competition this spring...

Hollywood, Portland, Seattle and Oakland all have met each other in spring exhibitions, while Hollywood also engaged Detroit.

San Francisco, Mission and Los Angeles have been pitted against Chicago and Pittsburgh. Sacramento has played Alhambra and a considerable number of games with strong semi-pro teams...

These games have removed a heavy handicap under which Portland and Seattle heretofore have started the season.

Never have Coast league clubs made a better showing against major league clubs than this spring.

The result of these games reflects the class of the big western circuit. Observations indicate these pre-season games with the majors benefit the league by arousing widespread preliminary interest...

I hope to see the day when every club in the Coast league can have at least five preliminary games with major league clubs.

OLD GOLD CIGARETTES WIN FIRST IN TESTS AT YALE

In the recent cigarette test made at the University, Old Golds were chosen by the students as the best.

The cigarettes were masked by black labels so that the names of the brands were concealed.

Each label was numbered. This was judged to be the most sporting way of testing the merits of the four leading brands.

Some 208 Yale students were asked to smoke the four disguised brands without knowing their identity.

They were merely to choose, by number, the one that was most appealing to the taste.

Portland Player Killed, Two Hurt In Auto Accident

SAN CLEMENTE, Cal., Mar. 25 (AP)—Misfortune overtook the Portland Beavers of the Pacific Coast league Saturday night when Donny Williams, centerfielder and former Portland high school boy, was killed in an automobile accident.

Maek Hillis and George Westling, also members of the Beavers squad, were injured in the accident. Hillis was said to be suffering from brain concussion and Westling from shoulder and hand injuries which would keep him from the lineup when the baseball season opens.

The automobile plunged over an embankment, killing Williams, after being sideswiped on the highway. The players were returning to their training camp at Anaheim, from San Diego. Williams played with the Boston Red Sox last season.

Williams' wife who had gone to Mobile, Ala., to attend the funeral of her father, was notified of her husband's death. Williams' remains will be brought to Portland for burial.

Collins Entering 24th League Year

PORT MEYERS, Fla., Mar. 25 (AP)—Eddie Collins, captain of the Athletics, said today he didn't expect to see much active service as a player this season.

He is entering upon his 24th year in the American league. "The legs have slowed up and I'm not as spry as I used to be," he added. "I think Connie Mack has his infield plans shaped up and is not banking on me except to carry a bat up to the plate now and then. I can still hit."

Senators Ready For Ball Season

WASHINGTON, Mar. 25 (AP)—Seven victories out of nine starts in the Sunshine circuit is the record of the Washington Senators this spring and today they had time for intensive drills at their Tampa, Florida, camp before tackling Brooklyn tomorrow.

A top topping moment twice in succession, the spirit of the Senators was soaring and talk of inspired baseball under the leadership of Walter Johnson was being heard about the camp.

As for the pilot himself, he has indicated that he would feel better if he had two more dependable pitchers.

WALKER WINS IF HE LOSES TO LOUGHRAN!

CHICAGO, Mar. 25 (AP)—Under Promoter Paddy Harmon's intricate financial plan, Mickey Walker wins if he loses and loses if he wins in his bout with Tommy Loughran for the light-heavyweight championship Thursday night.

This is the arrangement: Loughran is to receive 55 per cent of the gross profits. The gate is expected to be worth \$300,000. Out of his purse, Loughran must pay Walker \$50,000 if he, Loughran wins. If Walker wins, Loughran must pay his challenger \$10,000.

Thus, Walker loses approximately \$40,000 by winning and wins that much by losing.

Jack Kearns, Walker's manager, explains the arrangement by saying the light heavyweight title is easily worth several hundred thousand dollars and that Mickey will be in there to win in a hurry.

Walker and Loughran settled down to their final training grind today. Both are in excellent physical condition and confident of a knockout victory.

When He Gets "A Little Money Ahead"

When a man, either in his business or his private affairs, gets "a little money ahead" - - a cash balance in excess of his normal and average obligations and needs - - what happens to it?

That occurs more frequently than would be expected in an age of "hand-to-mouth" buying and "hand-to-mouth" spending. And it is a chance to start a reserve fund that should be grasped at once.

There is no greater paying investment than the guarding of your existing business - - and its financial strength is a fundamental requirement for continued success. A cash reserve - - invested in interest-earning Certificates of Deposit - - builds that strength and protects your business in an emergency.

Your banker will gladly discuss the advantages of a reserve. His experience and friendly counsel are for your personal benefit.
