Knight Holds Sluggers to Three Raps; Seattle Is Walloped 15 to 4

SAN FRANCISCO, Mar. 27 (AP)—Eight Pacific Coast league baseball clubs opened the 1929 season with a bang yesterday in four California cities, to the edification of approximately 55,000 fans.

Before a record coming out crowd of 14,000, the Portland Beavers, with Jack Knight in the box, defeated the seals on their home lot here 3 to 2. The highly touted heavy artillery of last year's champions remained stilled under the pitching generalship of Knight, who rose one above the stern opposition of Elmer Jacobs.

Oakland Clan Loses

Wade Killefer's speedy Missions made an auspicious debut against the Oakland clan at Emeryville, claiming the victory 7 to 4 after the Oaks had staged a closing rally that at least bolstered the hopes of their adherents. More than 12,000 persons witnessed the battle.

The North and South met at Los Angeles and the South triumphed with an invincible battery. The Angels' sluggers rolled up a score of 14 runs, while the Angel twirlers held the Seattle squad to 4. The third inning proved a disastrous debacle for the Indians, when the southerners dusted off six runs in a row. Approximately 15,000 fans saw the game.

Young Hits Single

Governor C. C. Young at Sacramento rapped out a single as the opening gun in the battle between the Hollywood Stars and the Senators, which the latter won by the score of 8 to 6. It was a game devoid of brilliant plays, with few hits, and rather wild pitching. A "homer" uncorked by Hank Severeid, husky catcher of the Solons, was a big feature of the tussle.

MANAGER WILL PROTEST BELT GIVEN FIELDS

CHICAGO, Mar. 27 (AP)—Ray Alvis, manager of Young Jack Thompson, who was defeated by Jackie Fields Monday night for the N. B. A. welterweight boxing title, said today he would protest the decision awarding Fields the bout and championship.

Alvis said the bout was stopped for more than five minutes and the ring was invaded by others than the fighters and referee. Under the rules of the Illinois boxing commission no one except the principals and referee are permitted to enter the ring during the contest except between rounds.

The negro fighter's manager declared Thompson was unnerved by the stampede of spectators when a panic broke out in the coliseum.

Fields was recognized as the welterweight champion by the National Boxing association after Joe Dundee had failed to defend his title as demandd by th organization.

American Teams In Title Play-Off

TORONTO, Ont., Mar. 27 (AP)—Experience has triumphed over youth and brought about the first all-American final for the world's hockey championship. The New York Rangers, present holders of the Stanley cup and veterans of two playoff campaigns, outlasted the young Toronto Maple Leafs last night to take an overtime encounter that put them into the final round of this year's championship series.

Starting tomorrow night, the Rangers will battle their leading American rivals, the Boston Bruins, in a series of the best three out of five games for the title.

Lefty Grove Out; Injures His Hand

FORT MYERS, Fla., March 27 (AP)—Lefty Grove, pitching ace for the Athletics, will not see service in any of the remaining exhibition games in the south, Manager Mack announced today. A nail on his pitching hand has become imbedded in the flesh, and it will be two weeks at least before he will be able to grip the ball properly.

Mack is not entirely pleased with the condition of the squad, and only the pitchers and catchers receive commendation. There is no telling when Bishop will be in shape, due to his long holdout, and Boley's arm shows little improvement.

HONOR McGRAW

NEW YORK, March 27 (AP)—Loyal Giants rooters will give a dinner to John J. McGraw April 14 to express appreciation of the fact that he has kept his team in the National league races for 26 years.

No More Mixed Boxing Matches In Old Coliseum

CHICAGO, March 27 (AP)—Mixed boxing matches will not be permitted hereafter at the coliseum, Charles Hall, president of the Coliseum corporation, announced today.

One person was dead and two others reported dying today as a result of the panic and stampede of spectators at the bout Monday night between Jackie Fields and Young Jack Thompson, California negro.

Herman Landfield, 28, who fell or was pushed over the balcony during the excitement, died of skull fractures and internal injuries.

Alonzo Stroud, 24, and John Mahoney, 34, were said to be near death at a hospital where nine other persons, suffering from fractures and other injuries, were still under treatment.

A coroner's investigation today into Landfield's death was but one of several inquiries into the affair. The state boxing commission, the city building commissioner and the city council all had taken steps to determine the cause of the panic and to prescribe methods for preventing a recurrence.

Joe Jacobs Says Schmeling Will Battle Uzcudun

NEW YORK, Mar. 27 (AP)—It looks as though Max Schmelling will have to start fighting before anyone will find out who will manage his next campaign. With the "German Dempsey" still in his homeland, his affairs took another complicated turn yesterday when Joe Jacobs, the American half of Max's managerial duel, returned from Europe with the announcement that Max was under contract to the Madison Square Garden corporation and would appear under Garden auspices against Paulino Uzcudun here June 26.

While Jacobs is trying to guide Schmeling along the road laid out by the Garden corporation, which gave him his first chance in America, Arthur Buelow, his German manager and the only one recognized by the New York athletic commission, is trying to lead him in addition to a bout at Boston contracted for before Max left. Buelow has signed with Jess McMahon, former Garden matchmaker, and the Dempsey-Humbert Fugazy combination for matches for Schmeling.

LOU GEHRIG THINKS YANKS WILL REPEAT

ST. PETERSBURG, Fla., March 27 (AP)—Lou Gehrig, who is one reason why the Yankees won the world's championship last year, thinks his team will repeat this season, or at least take the American league pennant.

"We have six pitchers this year," is Lou's argument. "You can count on Hoyt for 20 games and upward. Pennock, if his arm is right, which it seems to be, is good for 20 or more. Zachary is a sure bet. Besides these we have Pipgras, Henry Johnson and Rhodes. There are several others but I'm counting on the first six when I say we'll get better pitching this year than any year since we joined the Yanks."

Hollywood Fighter Wins In Portland

PORTLAND, Ore., Mar. 27 (AP)—Frankie Forbes, Hollywood, Cal., won a ten-round decision over Frisco McGale, Panama negro welterweight in the main event here last night. The fight was tame. McGale was content to keep in his shell, body well protected with his elbows and head covered with his gloves making a hard target to reach.

Leo Lamelli, Los Angeles, and Eddie Thomas of Bellingham, boxed six fast rounds to a draw.

Billy Church, Portland, took a six-round decision over Bus Landles, Eugene.

OLD PLAYER DIES

DETROIT, March 27 (AP)—Ford Decamp Hinchman, 81, member of one of Detroit's pioneer families, died here last night after a short illness. He was a member of the first Detroit baseball club in 1865-69.

IDAHO BATTERY SIGNED BY BAKER

Earwood and Lyke, Former Utah-Idaho League Players, Engaged

BAKER, Ore., Mar. 27—Weldon Earwood, pitcher and Jim Lyke, catcher, both of Caldwell, Idaho, have accepted the terms offered by the Baker baseball club to play with the local nine during the coming season, according to a telegram read at a meeting of the club directors. The terms were not made public but it is understood that Earwood and Lyke are not to receive as much as was paid to the Baker batteries last year.

The Caldwell men played for Twin Falls and Ogden in the Utah-Idaho league last year.

More than $475 worth of season tickets have been sold, it was revealed at the meeting, and the solicitors "have just started" club directors said.

Officials of the Baker club are very enthusiastic over the prospects. They have on several occasions expressed determinations to keep expenses down to a minimum and follow a "pay as you go" policy.

La Grande's baseball club has not organized its team in the Blue Mountain league but officials said today that a meeting would be called within the next few days to determine a tentative lineup. It is expected that practice will begin as soon as the weather permits.

OREGON SQUAD STARTS WORK ON DIAMOND

UNIVERSITY OF OREGON, Eugene, Mar. 27 (Special)—With the opening of the spring semester this week, Bill Reinhart, coach, called his 1928 northwest champion baseball team together, and to his surprise every candidate passed in his studies and was eligible for the team. That includes 14 lettermen and some 30 super-varsity and 1928 freshman players.

Although a letterman will be eligible for every position, Reinhart plans some changes in his lineup that will give some of his last year's yearlings a chance to break in as regulars.

The regulars who are back include: catchers, Ira Woodie and Gordon Ridings; pitchers, Bill Baker, Reynald MacDonald, Curley Fuller, and Art Schoeni; first base, Les Johnson and Carl Nelson; second base, Ken Robie; third base, Dave Mason and Don McCormick; outfield, Dave Epps, Cotter Gould, Ray Edwards.

Henry And Hubbell Due to Win Games

SAN ANTONIO, Tex., Mar. 27 (AP)—With very little of their training grind left, the stock takers of the Giants' squad have decided that Carl Hubbell and Dutch Henry will pitch the McGrawmen to a good many victories this year. Hubbell is a better pitcher now than he was at the end of last season and should be good for 20 victories in one opinion. He and Benton are expected to carry most of the pitching burden. Henry also is in fine shape and is shooting in a curve ball with a fine break on it.

ROBINSON WORRIED

TAMPA, Fla., March 27 (AP)—The condition of Second Baseman Jake Flowers is giving Wilbert Robinson more to worry about than all the rest of Brooklyn's large hospital list. Flowers may be lost to the team for two months if his doctor decides he must have his appendix removed. The discovery that this operation might be necessary was made yesterday after Jake had had his tonsils cut out and a damaged finger repaired. He has decided to consult his own physician in Baltimore.
