Gen. Ludendorff Must Pay Fine

BERLIN, Mar. 28 (AP)—General Erich Ludendorff, who has been spending his time fighting Freemasonry, Judaism and in the preparation of worship of the old German gods, has been sentenced by the Hamburg courts to a fine of 800 marks, or 16 days' imprisonment for libeling an army photographer.

The aged general described the photographer as "a Frenchman" in an article entitled "Examples of the immorality of Freemasons."

Astrologer

MRS. FREDERICK BAIMES 801 N. Ave., La Grande, Ore. Readings daily. Readings by Mail & Specialty

"I never fail to embrace every opportunity," boasted the druggist cowboy. His flapper friend replied: "Well, big boy, opportunity is my middle name."

While men are busy looking their age, the girls are just as busy overlooking their.

I passed my doctor on the street because I just stuck out my tongue.

Hubby—it seems to me, dear, that there is something wrong with this soup.

Wife—You're always complaining. But this time you're wrong. The cook book says it is perfectly delicious.

If you want to see 'em jump, just touch a cat on its paw, a woman on the short ribs, or a man on his pocket-book.

Here's to the old-fashioned girl: To her old-fashioned ways And to the old-fashioned days. And to all for which we're her debtors: My glass I raise, Her charms I praise, But I like the modern girl better.

IT'S A BOY!

"The word staid in a sentence 'I was going to buy that suit but it was staid penicillin'."

In this day of labor-saving devices, why doesn't someone invent a self-renewing note?

"I've waited since 6 o'clock for my husband, and it's now 7:30." "When were you to meet him?" "At 5 o'clock."

Robert Green Is Sentenced to Pen

COLDS MAY DEVELOP INTO PNEUMONIA

Coughs from colds may lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.

Of known drugs creosote is recognized by high medical authorities as one of the greatest healing agencies for coughs from colds and bronchial irritations. Creomulsion contains, in addition to creosote, other healing

elements which soothe and heal the inflamed membranes and stop the irritation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of coughs from colds, bronchitis and minor forms of bronchial irritations, and is excellent for building up the system after colds or flu. Money refunded if not relieved after taking according to directions. Ask your druggist. (adv.)

AT THE THEATERS

Four Years Of Work For Two Hours' Fun

One may attend the Arcade theater and see Universal's spectacular \$1,500,000 production of the Victor Hugo classic, "The Man Who Laughs" within a period of two hours.

But the actual production and making of the picture took one month less than four years from the time Carl Laemmle projected plans for the picture until it was finally edited and titled, ready for release.

Three years were spent in research in the United States, England and France. Research men amassed all available information concerning life in England in 1797, clothing, customs and physical descriptions of ships, London streets and fairs of that era.

Before these three years were up the story was adapted for the screen and prepared in scenario form. Eight months were spent designing and erecting the sets and five months in the actual filming. These activities overlapped to a certain extent hence it took 47 months from the beginning of the research to the filming of the last scene.

Mary Philbin and Conrad Veidt are co-starred in "The Man Who Laughs," which was directed by Paul Leni.

"Adventures Of Tarzan" To Start Friday

Millions of readers of the famous Tarzan stories of Edgar Rice Burroughs have a treat in store for them. Wise Brothers have produced in a most pretentious and elaborate way as a super serial "The Adventures of Tarzan," and the first episode of this wild animal masterpiece will be shown at the Colonial theater beginning Friday.

Louise Lorraine and Elmo Lincoln, recognized leaders in serial productions, head an all-star cast in this ten episode super-drama of intrigue and adventure in the jungles. As such credit, however, for the thrills of this production will be given to the wild animals who, under the clever training of Charles Gay, of the Gay Lion Farm, near Hollywood, have caught the spirit of the famous author's story and startle with the remarkable realism of their performance.

Indeed, in spite of the patience of those trailers and Robert P. Hill, the director of the serial, these animals several times endangered the lives of the artists and both Mr. Lincoln and Miss Lorraine had many minor injuries during the filming of the picture.

Edgar Rice Burroughs watched the making of "The Adventures of Tarzan" and declared that the

She Wanted To Sin But Found It A Hard Job

An earnest ambition to obtain "experience" in the sinful life of New York's underworld provides the basis for the plot of "Synthetic Sin," Colleen Moore's latest laugh picture, now at the Star theater.

Miss Moore, in the character of a stage-struck girl, tries desperately to "see life" having been told that she must gain such experience before she can hope to be a great actress. The elvish of the gangsters and run-men is roused by her obvious innocence, and her plans are thwarted in the most humorous manner.

"Synthetic Sin" was a successful Broadway stage play before Producer John McGehegan decided to use it as a motion picture vehicle for Miss Moore, who was directed by William A. Selter in this First National comedy. Prominent in the supporting cast are Antonio Moreno, Montagu Lovell, Gertrude Astor, Edythe Chapman and Kathryn McGuire.

CLARK TO RETIRE

WASHINGTON, Mar. 28 (AP)—J. Heben Clark, of Salt Lake City, under secretary of state, announced here that he would return to private practice with his firm in Salt Lake City as soon as the new Secretary Henry L. Simmon, finds it convenient to relieve him.

Mr. Clark said he planned to visit Mexico in the near future in a purely private capacity.

RELIEF FROM CURSE OF CONSTIPATION

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause."

But immediate relief has been found. A tablet called Rexall Orderite has been discovered. This tablet attracts water from the system into the lax, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderite at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store. Glass Drugs, Inc.—Adv.
