MISSOURI STORM SUNDAY HURTS 22

Three Also Reported Missing; Buildings Leveled at Mineral Point

ST. LOUIS, Apr. 1 (AP)—Twenty-two injured, three reported missing and 30 to 40 farm buildings wrecked or damaged by an Easter storm of tornado proportions that cut a swath through rural southeast Missouri early last night. No deaths were reported but several victims were in a serious condition. Searching parties, under direction of the Poplar Bluff Red Cross chapter, this morning were attempting to make their way over highways strewn with trees and other debris to make a further survey. Reports indicated that the storm, accompanied by a terrific downpour of rain and hail, struck at 6:45 p. m. near Hoxie in Northern Arkansas and swept north as far as Bismarck, Mo., a distance of about 70 miles.

Red Cross Busy Mrs. Sallie Hill, executive secretary of the local Red Cross chapter, was in charge of the survey in the damaged area. Andrew Miller, about 45 years old, was brought to a hospital at Poplar Bluff in a critical condition. Others injured included Hiram D. Pharr and his wife, a Mrs. Studdly and son and a Mrs. Morton.

Buildings Wrecked The roof of the Missouri Pacific railroad station at Mineral Point was blown off and ten or more houses reported wrecked. Scarcely a building escaped damage in the business district of Doniphan, 35 miles southwest of Poplar Bluff. The only person reported injured was Mrs. Frank Bennett, wife of a restaurant proprietor. The entire town was thrown into darkness.

Service at Park OPENS EASTER DAY (Continued from Page 1) before an audience which taxed the capacity of the church last evening and some were turned away. The chorus consisted of 29 voices, members of the Methodist choir, with the assistance of one soloist who has been under Mr. Nusbbaum's direction since he was elected musical director the first of February. Those who heard the cantata last evening have been speaking very highly of it, the solo and all other special parts having been exceptionally well done, and the chorus work deserving very high praise. Musical critics in the audience have pronounced it as being among the best productions given in this city for some time, while others who enjoy and are inspired by good music, report an evening of great uplift and inspiration, a fitting climax to Easter day.

Funeral services were held at 11 o'clock yesterday at the First Presbyterian church when the Knights Templar held their annual Easter religious church service.

Forming in procession the Knights marched into the church, taking their places in the front rows of the auditorium. Dressed in full regalia carrying white plumes they lentled a chivalrous and royal atmosphere to the church scene.

The ritual of the Knights Templar for that occasion was conducted and led by St. Humphreys, "Easter Answers" was the sermon preached by the Rev. J. George Wark, pastor of the church. Music was furnished by the Triad choir.

QUITS AS QUEEN TO WED PRINCE

Not every girl would abdicate a job as reigning queen to marry a boxer—but Mary Alves, a belle of Santa Clara, Cal., did so, and became Mrs. Peter Meyer Easter Sunday. Mary was chosen as queen of her city's annual festival, but she renounced her regal robes for the bridal tulle. Peter, by the way, is one of the high princes of Swat, being considered on his way to win the welter or middleweight crowns.

Services all day yesterday at the Methodist church were very inspiring and were in keeping with the Resurrection Day. Following the sunrise service yesterday morning, the members of the Epworth League held a fellowship breakfast at the Pine Cone auto camp and were at the church in time for Sunday school where a special program was put on by the children of the younger departments. Included on the program was a psalm given by the girls of Miss Doty's class which had to do with the women at the tomb and the appearance of the angel of light.

At the hour of the morning service, the pastor, Rev. Vernon E. Hall gave a strong Easter discourse on the theme "The Festival of Flying Feet." An Easter anthem "Hosanna" was sung by the choir, Paul Knautz taking the solo part. Five infants were baptized during the service, and one adult and seven new members were taken into the church.

At Sunday school yesterday the annual "World Service" collection was taken which amounted to \$135.00.

The Rt. Rev. William P. Reimington, of Pendleton, bishop of the Eastern Oregon diocese, was speaker at St. Peter's Episcopal church during the morning service, beginning at 11 o'clock.

An impressive service of yesterday afternoon was the ceremony held at the First Presbyterian church when the Knights Templar held their annual Easter religious church service.

Ball Players In Practice Sunday At Athletic Park

A number of men who are trying out for the La Grande club of the Blue Mountain baseball league, were out for an impromptu practice yesterday afternoon at the high school grounds. Gih Stokke, last year's first sacker, was limbering up his baseball muscles and spectators reported that he has all the zip and speed he exhibited with the 1928 championship Pirates.

The league season is scheduled to open Apr. 21 with La Grande playing Baker and the Pendleton Buckaroos chomping with the Enterprise Chieftains.

A baseball meeting is to be called in the near future to complete arrangements for the local club, it was reported this morning.

Another possibility, assuming this 72-year-old veteran is willing to return to public service so soon after his retirement, is that he might now be offered the London post, which he held when appointed secretary of state, and Dawes be given the Paris assignment. Both of these suggestions are based on the desirability of having men of equal distinction at the two capitals.
