OFFICE CAT B JUNIOR

If the nose be the index to char-
acter, how should one characterize
the man who has had his smashed?

Harmonized With Chicago
"You say she went to a finishing
school in Chicago. What sort of a
polish did she get?"
"Gun-metal polish."

Now that airplanes are being sold
on the installment basis, collectors
will have to learn to fly.

Experience is something you get
while looking for something else.
The fellow who spends his time
knocking the town didn't put up
any of its tall buildings.

Nothing makes daughter more
indignant than father's not being
able to make money, though so
mother can dress as she does.

There's a maxim to remember
If'd you have your business
thrived,
"The bee that gets the honey
Doesn't hang around the hive."

You don't need a press agent to
attract attention. Have somebody
tell you in.

We've often wondered why wo-
men kiss each other when they
greet. Maybe it's because some of
them would never get any kisses
otherwise.

We never have all the March
weather in March.

"We will now hold the insulation
of officers."

"You may be right, but these are
live-wire officers."

The only thing that heats a good
wife is a bad husband.

Doctor: "Ever have any trouble
with dyspepsia?"
Patient: "Only when I try to
spell it."

A University of Chicago student
reveals a scientific system of wash-
ing dishes in half the time it used
to take. Now maybe father can get
the job done in time to see a show.

AT THE THEATERS

Western Film Character Once Real Cowboy

Jack Holt was once a stage coach
driver.

In the days before he became a
motion picture celebrity, Holt fol-
lowed the adventure call into Alas-
ka. He expected to find a fortune
in either copper or gold.

The wealth he had expected to
find did not materialize, and Holt
had to live, so he took a job deliv-
ering a stage coach out of Dawson
to one of the mining camps.

That experience is but one of
many such this screen hero of
Paramount's Zane Grey novels has
had. He has been a civil engineer
and a cow puncher in the ranges of
Oregon and Southwest. It was his
mastery of horsemanship that
eventually led him into pictures.

Holt has occasion to use all of his
riding skill in "Sunset Pass," the
latest Grey novel that Paramount
has brought to the screen. Among
other hazardous feats he has to
perform is that of riding through
a wall of flames to rescue his lead-
ing woman, Nora Lane, from a
range fire.

"Sunset Pass" will open at the
Star theater tomorrow.

Marian Nixon
Star In
"Silks and Saddles"

Marian Nixon, who plays her
first starring role in "Silks and
Saddles," and Richard Walling car-
ry the love interest. Both give ex-
cellent performances and the ro-
mance sequences are exceedingly
well-handled by the pair.

"Silks and Saddles" now at the
Star theater is the story of a young
jockey who is induced to "throw"
an important race he is expected
to win, through the influence of a
beautiful adventuress. He is found
out and disgraced, but through
the unflinching efforts of his former
sweetheart, whom he has deserted,
he is given another chance. He
makes good by winning a big race
and is restored to the favor of the
racing public and his first sweet-
heart.

Mary Nolan enacts the role of
the glittering accomplice and Otis
Hartman scores in a comedy role.
Others in the company are Sam
De Grasse, Montagu Love, Claire
MacDowell, David Torrence, John-
ny Fox, Jr., and Hayden Stevenson.
Robert P. Hill's direction was
outstanding.

Oklahoma impeached a couple of
governors and now the chief justice
of the supreme court is in for it.
Couldn't some kind of a job be ar-
ranged out there for Senator Her-
lin?

President Hoover has sent the
White House horses back to the
quartermaster and closed the White
House stables. Further evidence of
an economically stable govern-
ment?

NEURITIS
MUST BE HEALED

Taking dope to "mask" the pain
caused by neuritis or rheumatism
is a waste of time. Lasting relief
can only be obtained by healing
the inflamed nerves and tissues.
Go to your druggist and ask for a
package of Tysanol—that penetrat-
ing, healing absorbent which soaks
in through the pores and helps to
drive out the inflammation for
good. The minute you rub it on
you begin to feel better. Pains and
aches soon stop, congestion is re-
moved, and soreness, stiffness or
swelling in muscles or joints gradu-
ally disappears. Tysanol is guar-
anteed harmless—pleasant and
easy to use. Always in stock at
GLASS DRUGS, INC. Adv.

GENUINE THRIFT

There are many men in this community who have
learned the thrift and economy of buying used cars.
They buy them for hard service. And while they are
getting that service, the cars are suffering very little
depreciation.

After all, depreciation is the big cost item in car
ownership.

MOM'N' POP

BY THE TIME
MRS. BRAGG HAD

HIM SO! I'M NOT
AFRAID TO SAY WHAT
I THINK TO
ANYBODY.

YES AND WHAT DID I GET
YOU? JUST WHEN I WAS
ON THE VERGE OF FINDING
OUT WHAT STOCK HE WAS
IN, YOU VIRTUALLY
INSULTED THE MAN IN HIS
OWN HOME FOR NO
REASON.

SO GUNN THINKS I'M FULL OF
HOKEY, EH, WELL, MAYBE I AM. HE'S
GOT A LITTLE MONEY, HUH! HE WON'T
HAVE IT LONG. I'LL SHOW HIM A
TRICK OR TWO. NO MAN CAN
BACK HAND ME AND GET
AWAY WITH IT.

THE SECOND WINNER

THE CAT WILL DO SO."
