

7 APPOINTED ON PLANNING COMMISSION

City Dads Ratify Selections at Meeting Held Last Night

CENTRAL STAGE DEPOT PROPOSED

G. C. Taal, Who Is Building Swimming Pool, Asks for Closing of Alley, Part of Street

Appointment of a city planning commission, consisting of seven members, took place at the regular city commission meeting last night in the municipal building.

The following were appointed by President A. T. Hill and later in the evening ratified by the commission: Charles B. Miller, George H. Currey, John Toesch, Mrs. J. K. Charlton, John Fitzgerald, Charles Edwards and Mrs. George S. Birnie.

The planning commission will meet for the purpose of organization in the near future. It is understood that the commission will have a favor stage depot.

Another matter of importance was the discussion of the possibilities of a central stage depot in La Grande, from which point all stage companies would operate.

The commission authorized the city manager and city attorney to interview the stage companies in the hope of arriving at a workable plan. If this depot could be established, it would not be necessary for stages to stop in lodging zones, thus relieving traffic conditions in La Grande.

Would Close Alley Robert Eakin filed a petition by G. C. Taal, asking the closing of the alley in the block near the Second street viaduct where he is building a swimming pool.

The petition also requested the closing of that part of Harrison avenue between his property line and the railroad tracks. The commission will investigate the matter further.

A resolution was passed to furnish C. S. Schultz with a deed to some land he purchased from the city.

JUNIOR BALL TEAM REPORTS DUE MAY 20

Work on the Junior baseball league to be sponsored by the La Grande post of the American Legion is continuing and today reports from the headquarters of all those contemplating the organization of a team must be turned in to Ray Williams at his office at 193 Elm street here.

Boys up to 16 years of age inclusive are eligible to organize teams. Those who do not care to affiliate themselves with schools teams can organize independent ones. Mr. Williams announces.

State Secretary Here For Meeting

Ben T. Osborne, executive secretary of the Oregon Federation of Labor, is in La Grande tonight with a team from Portland headquarters at 8 o'clock in the city hall.

Mr. Osborne was in La Grande when the Oregon federation met here last fall. "This has been a dull winter, but the weather is better now and the employment situation is beginning to look good," he says.

O. S. C. Debaters Win Seventh Victory

CORVALLIS, Ore., Apr. 12 (AP)—The debate season of the Oregon State college will close tonight with a team from Mills college, Oakland, Cal., debating on the subject of Mussolini's fealty to Italy. It will be the first round debate ever broadcast on the Pacific coast.

Francis Blake, Oregon City and Laverna Mae, Corvallis, won a unanimous decision last night over Julia Hunter and Theima Molgaard, University of Idaho, on the same question. This gives the Oregon state team the seventh consecutive victory.

WEATHER TODAY 7:29 a. m.—41 above. Minimum: 39 above. WEATHER YESTERDAY Maximum 55, minimum 34 above. Condition: clear. WEATHER APR. 18, 1928 Maximum 49, minimum 31 above. Condition: cloudy, rain .94 of inch.

Complete Plans For Opening Of Baseball Season

Baker to Be Here Sunday—Airplane to Drop Ball from Clouds—Band will Play Concert.

Preparations for the ceremonies to open the 1929 season of the Blue Mountain baseball league here Sunday afternoon were being completed today and, with indications that fair weather has come to the Grande tundra valley—at least temporarily—enthusiasm in the event is gaining impetus rapidly.

A new feature will be introduced Sunday afternoon, just before the first ball is sent over the plate at the La Grande ball park. An airplane, bearing as a passenger a new baseball, will circle over the field, dropping the ball to the diamond.

This is an air age, the directors reason, and why not open the season with a token from the clouds?

Phy to Pitch First Ball Dr. W. T. Phy, president of the league, of Hot Lake, will then throw the first ball, following introductions of the members of the Baker and La Grande teams. W. C. Crews, city manager, is scheduled to catch Dr. Phy's offering.

With this completed, the umpire will break loose with the customary "Batteries for today..." and the game will begin at 2:30 o'clock.

Preceding the ceremonies at the field, the La Grande municipal band, directed by Andrew Loney Jr., will play a short concert in the business section at 1:30 o'clock, and then march to the ball park where music will be furnished during the afternoon.

Enterprise at Pendleton While this is going on, Pendleton and Enterprise will be having opening ceremonies at the Round-Up City. Their plans have not been announced but when Enterprise journeys to Pendleton the chiefs will be confronted with a veteran line.

At 7 o'clock the evening service will begin and at 7:30 the Rev. P. S. Wheeler, of Milton, will preach.

Saturday morning will be devoted to a discussion of missionary topics and the afternoon will include the election of delegates to Epworth league department and the Sunday schools department programs.

At 7:30 in the evening the ladies of the church will give a social.

Among the others who will be in uniform for the Sunday game is Jack Walters, hard-boiled slugger and a mean hitter. Bill King at second. Sam Randolph Cook is to stand guard over the third base.

Layton Garrett is to play shortstop. Outfielders who are expected to take part in Sunday's game are: (Continued on Page 5)

County Council Of P.-T. A. Will Meet Saturday

The Union County Council of Parent-Teacher associations is to meet Saturday, Apr. 20 at the high school building in La Grande. The La Grande City council is hostess for the event. Mrs. R. C. Alexander, president of the La Grande council, announces the following members on the committee which is completing plans for the all-day meet: Mrs. C. F. McPherson, president of the Greenwood P.-T. A. and district vice president; Mrs. Louis Wetzel, president of the Riveria P.-T. A.; Mrs. John Bates, president of the Willow P.-T. A.; Mrs. O. B. Maxam, Mrs. S. F. Andrews and Mrs. Ralph Cunningham, who has been named general chairman.

At 11:30 there will be a business meeting. Mrs. George Lyman, president of the county council, requests all delegates to be present to consider needs of and a general program for the council work. Delegates are to be chosen from each local association, one for each five members.

At 12:30 there will be a potluck luncheon in the manual arts building. Each person is asked to bring one dish.

The program for the afternoon, beginning at 1:30 o'clock, features two speakers. Supt. J. T. Longfellow, of La Grande, will speak on "The Quality of Educational Opportunities" and Supt. E. A. Sawyer, of Union county, will speak on "New School Laws." Musical numbers are also being arranged.

Smoke House Near Alicel Destroyed

About 5:30 o'clock this morning, fire destroyed the smoke house on the farm of Sam Morris, between Alicel and Imbler. The summer's supply of meat was being cured in the building and Mr. Morris is of the opinion that the wooden floor in it was set ablaze by the fire used in the meat smoking process.

The loss was confined to the building itself, which was a substantial structure about 25x25 feet, and also Mr. Morris' set of carpenter tools. The building stood rather close to the house which was damaged only to the extent of blistered and scorched paint. Neighbors who responded immediately to the alarm sent out were unable to check the flames in the smoke house but all helped in throwing water on the house to keep the flames from spreading to that structure.

La Grande High Defeats Union In Dual Meet; Go To Pendleton Apr. 20

The La Grande High school track and field team started its 1929 season with an overwhelming victory over Union High school in a two-day dual relay meet. At the end of the first six events, run off Tuesday at Union, the championship Tigers had 43 points to the Bobcats' 24.

Yesterday afternoon, finishing up the meet here, the Tigers boosted their score until the final contest was 102 1/2 to 42 1/2. The blue and white teams made 61 1/2 points to Union's 19 1/2 yesterday.

La Grande took every first place Wednesday, making 12 out of 13. Union won the mile relay on Tuesday.

Wolfe High Scorer H. Wolfe was high point man of the meet, scoring 15, with Price second with 12 1/2. Taylor was third with an even 10. Keffer scored 8 1/2, Nowland 5 and Evans 5.

Saturday the Tiger team will go to Pendleton to participate in a quadrangular meet with Milton, Freewater, Union and Pendleton. Hurdle preliminaries will be run off at Round-Up park at 11 a. m.

Yesterday's Events The summary of yesterday's events follows:

Dealers To Have Spring Showing, Demonstrations

Event Will Be Inaugurated with New Car Parade Saturday—Select "Old Wreck" Judges.

Inaugurating the event with the annual new car parade Saturday afternoon, La Grande automobile dealers will stage a special spring showing of the new cars and a demonstration week starting Sunday. Practically all show rooms will be crowded with the various new models in each line and visitors will be urged to ride in and drive the cars.

Special emphasis is being placed on car demonstration this year because of the improvements made in speed and riding qualities and in ease of handling.

Pick Contest Judges Judges have been selected for the Old Wreck contest which is to be a feature of the parade and the award of three cash prizes will take place immediately after a decision is rendered following the parade. A. T. Hill, president of the city commission; Ralph Huron, postmaster, and J. T. Longfellow, superintendent of schools, will be the judges and will pick the worst looking cars in this part of the procession.

The position of the various makes of automobiles in the parade will be determined by lot and assignments will be made tomorrow.

Expect Conflict Between Hoover And The Senate

Three Important Proposals May Lead to Skirmishes—Reed to Fight National Origins.

WASHINGTON, Apr. 18 (AP)—Conflict between President Hoover and members of his party in the senate on three important proposals and between the senate and house on at least one appeared certain today as the two chambers swung into the full stride of legislative activity.

The decision of the senate agriculture committee to introduce its bill today in tentative form including an optional export debenture provision emphasized the possibility of a sharp difference between the chambers.

This difference in congress on the advisability of including a debenture plan provision in the general farm relief bill is believed by many republican leaders to be one of the issues on which the president and the senate may find themselves in disagreement.

Main Reliance in House Although the executive has adhered to his "hands off" policy, and now word on the administration's view of the debenture plan has been given, Mr. Hoover is regarded in some quarters as placing his main reliance in the farm relief discussion in the house.

That is only one of the differences which observers profess to see in the making between the president and the senate. Republicans in the senate are divided on the national origins clause of the immigration act, which Mr. Hoover wants congress to suspend, and on the desire of the president to have tariff revision limited principally to the agricultural schedules.

Senator Nye, republican, North Dakota, has drafted a bill to meet the presidential suggestion for a suspension of national origins provision. Senator Reed, republican, Pennsylvania, has served notice of a fight to the end against such a move.

To Consider Proposal Senator Johnson, republican, California, chairman of the immigration committee, announced today he would call the committee together "immediately" to consider the proposal for suspending the national origins provision, which has been proclaimed effective July 1 and which is a basis for immigration and drastically revises the present quotas.

Senator Reed, who ranks high in his party, considers the senate also has declared against any attempt at "limited" tariff revision. He announced after the reading of Mr. Hoover's message to congress that he would not consider himself bound to any limited tariff program and would support moves for upward revision of any rates regarded as necessary, whether in agriculture or industrial classes.

CONGRESS AT WORK ON NEW FARM BILLS

House Starts Debate on Its Measure; Bill Introduced in Senate

WASHINGTON, Apr. 18 (AP)—The seventy-first congress called into special session primarily for consideration of the farm problem settled down seriously today to the work at hand with the house starting debate on a farm relief bill and with the introduction in the senate of a new agricultural aid measure.

The two bills, drafted with a view of accomplishing the same end, differ in one major respect as to how this should be accomplished. Both would provide for a federal farm board and place at its disposal a revolving fund of half a billion dollars but the senate measure proposes that the board be given authority to employ the export debenture plan, in addition to using the revolving fund, as a means of controlling surpluses of farm crops.

Another Difference Under the public measure
