Hearts of Tomatoes (drained and cut fine), Cucumber, Celery, Green Pepper, Red Radishes, little Green Onions (all cut fine and served in the Tomato Shells on beds of Lettuce) . . . and, of course, French Dressing made with Wesson Oil.

Spring Salad Suggestion No. 6

Make your salad crisp and colorful—and your French Dressing an individual creation for the particular salad. That's the practice of every smart hostess today.

Two parts Wesson Oil, one part lemon juice or vinegar, salt and pepper—then whatever your imagination suggests—mustard, a little Chili sauce and a dash of Worcestershire. Undoubtedly you can devise other combinations that will make it all your own.

Would you like a copy of the Wesson Oil recipe book? It has recipes for eighteen different kinds of French Dressing, many of which may be new to you. Address the Wesson Oil and Foodstuffs Co., 112 Market Street, San Francisco, California.
